

discriminate between customers, issuers, brokers or dealers.

The Exchange believes that the proposed changes to the Fee Schedule, which include the addition of rule text to note that the Fee Schedule would be applicable to securities traded on Pillar and the addition of rule text to [sic] regarding order types that would be renamed on Pillar, is reasonable, equitable and not unfairly discriminatory because the changes are designed to make the Fee Schedule more logical and comprehensive therefore, easier for market participants to navigate and digest, which is in the public interest. The Exchange further believes that the proposed changes are designed to enable market participants to better understand how Exchange fees would be applicable to market participants, which should make the overall Fee Schedule more transparent and comprehensive to the benefit of the investing public.

The Exchange believes removing references to Primary Sweep Orders from the Fee Schedule will remove investor confusion as this order type no longer exists in the Exchange's rules. The Exchange strives for clarity in its rules and Fee Schedule so that market participants may best understand how rules and fees apply. The Exchange believes that the proposed removal of outdated language and fees from the Fee Schedule will add clarity to the Fee Schedule and alleviate potential confusion which will remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, protect investors and the public interest.

For the foregoing reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will any [sic] burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue but rather provide the public and investors with a Fee Schedule that is transparent once securities traded on the Exchange begin to migrate to Pillar.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing of Commission Action

February 12, 2016.

On July 30, 2015, NYSE Arca, Inc. ("Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change

relating to implementation of a fee on securities lending and repurchase transactions with respect to shares of the CurrencyShares® Euro Trust and the CurrencyShares® Japanese Yen Trust, which are currently listed and trading on the Exchange under NYSE Arca Equities Rule 8.202. The proposed rule change was published for comment in the **Federal Register** on August 20, 2015.³

On September 18, 2015, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ On November 18, 2016, the Commission instituted proceedings under Section 19(b)(2)(B) of the Act⁶ to determine whether to approve or disapprove the proposed rule change.⁷ In the Order Instituting Proceedings, the Commission solicited responses to specified matters related to the proposal.⁸ The Commission has not received any comments on the proposal.⁹

Section 19(b)(2) of the Act¹⁰ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of the filing of the proposed rule change. The Commission may, however, extend the period for issuing an order approving or disapproving the proposed rule change by not more than 60 days

if the Commission determines that a longer period is appropriate and publishes the reasons for that determination. The proposed rule change was published for notice and comment in the **Federal Register** on August 20, 2015.¹¹ The 180th day after publication of the notice of the filing of the proposed rule change in the **Federal Register** is February 16, 2016.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹² designates April 15, 2016 as the date by which the Commission should either approve or disapprove the proposed rule change (SR-NYSEArca-2015-68).
