These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

Dated: November 21, 2016.

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.

Scope of the Order

The product covered by this order is SC paper. A full description of the scope of the order is contained in the Preliminary Decision Memorandum, which is hereby adopted by this notice.1

Methodology

On December 10, 2015, the Department issued a countervailing duty order on SC paper from Canada.2 The Department is conducting this CVD expedited review in accordance with 19 CFR 351.214(k). For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum.

The list of topics discussed in the Preliminary Decision Memorandum is included as an Appendix to this notice.

1 See Memorandum from James Maeder, Senior Director, Office I, for Antidumping and Countervailing Duty Operations, to Gary Taverman, Associate Deputy Assistant Secretary for Enforcement and Compliance, “Preliminary Results of Expedited Review of the Countervailing Duty Order on Supercalendered Paper from Canada,” dated concurrently with this notice (Preliminary Decision Memorandum).

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frn/index.html. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

We calculated a CVD rate for each producer/exporter of the subject merchandise that requested an expedited review.

As a result of this review, we preliminarily determine the countervailable subsidy rates to be:
