Proposed Collection; Comment Request

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The information filed under Rule 14f-1 must be filed with the Commission and is publicly available. We estimate that it takes approximately 18 burden hours to provide the information required under Rule 14f-1 and that the information is filed by approximately 64 respondents for a total

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77125; File No. SR-Phlx-2016-14]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 1066

February 12, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 4, 2016, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 1066, Certain Types of Floor-Based (Non-PHLX XL) Orders Defined, as described further below.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposal is to update Rule 1066 in several ways by deleting obsolete provisions. Rule 1066 describes the order types that can be executed on the options trading floor, as opposed to electronically through the Phlx XL trading system.³

First, the Exchange proposes to delete the following two order types related to the opening: (i) Opening-only-market order;⁴ and (ii) limit on opening order.⁵ Both of these order types became obsolete when the Exchange automated the opening process.⁶ Rule 1017(c), Orders Represented by Floor Brokers, clearly states that to be considered in the determination of the opening price

and to participate in the opening trade, orders represented by Floor Brokers must be entered onto the book electronically.⁷ Thus, these order types that are only valid on the opening can no longer be entered manually under Rule 1066.⁸

Second, the Exchange proposes to delete Commentary .01 to Rule 1066, which governs spread, straddle and combination orders respecting foreign currency options. This commentary is obsolete because the Exchange no longer lists American style foreign currency options such that there can no longer be a spread, straddle or combination order involving American and European style contracts.⁹ The Exchange continues to list European style foreign currency options contracts.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act¹⁰ in general, and furthers the objectives of Section 6(b)(5) of the Act¹¹ in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest, by updating Rule 1066 to eliminate obsolete provisions. Obsolete opening-related order types could potentially confuse investors, as could references to an expiration style that is not offered respecting foreign currency options.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposal merely updates obsolete provisions. The proposal affects all participants who trade on the options trading floor equally, such that it does not impact intra-market competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect

the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and subparagraph (f)(6) of Rule 19b-4 thereunder.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-Phlx-2016-14 on the subject line.

To help the Commission process and review your comments more efficiently, please use only one method.
