

burden on members and project sponsors in connection with the preparation and submission of AHP competitive applications is 32,400 hours (1,350 applications × 24 hours).

II. Compliance Submissions for Approved Competitive Application Projects at AHP Subsidy Disbursement

FHFA estimates that Bank members, on behalf of project sponsors, will make an annual average of 700 submissions to the Banks documenting that projects approved under the Banks' competitive application programs continue to comply with the regulatory eligibility requirements and all commitments made in the approved applications at the time each AHP subsidy is disbursed, and that the average preparation time for each submission will be 1 hour. The estimate for the total annual hour burden on members and project sponsors in connection with the preparation and submission of these compliance submissions is 700 hours (700 submissions × 1 hour).

III. Modification Requests for Approved Competitive Application Projects

FHFA estimates that Bank members, on behalf of project sponsors, will submit to the Banks an annual average of 300 requests for modifications to projects that have been approved under the Banks' competitive application programs, and that the average preparation time for each request will be 2.5 hours. The estimate for the total annual hour burden on members and project sponsors in connection with the preparation and submission of these modification requests is 750 hours (300 requests × 2.5 hours).

IV. Initial Monitoring Submissions for Approved Competitive Application Projects

FHFA estimates that project sponsors will make an annual average of 500 submissions of documentation to the Banks for purposes of the Banks' initial monitoring of in-progress and recently completed projects approved under their competitive application programs, and that the average preparation time for each submission will be 5 hours. The estimate for the total annual hour burden on project sponsors in connection with the preparation and submission of documentation required for initial monitoring of competitive application projects is 2,500 hours (500 submissions × 5 hours).

V. Long-Term Monitoring Submissions for Approved Competitive Application Program Projects

FHFA estimates that project sponsors will make an annual average of 4,800 submissions of documentation to the Banks for purposes of the Banks' long-term monitoring of completed projects approved under their competitive application programs, and that the average preparation time for each submission will be 3 hours. The estimate for the total annual hour burden on project sponsors in connection with the preparation and submission of documentation required for long-term monitoring of competitive application projects is 14,400 hours (4,800 submissions × 3 hours).

VI. Homeownership Set-Aside Program Applications and Certifications

FHFA estimates that Bank members will submit to the Banks an annual average of 13,000 applications and required certifications for AHP direct subsidies under the Banks' homeownership set-aside programs, and that the average preparation time for those submissions together will be 5 hours. The estimate for the total annual hour burden on members in connection with the preparation and submission of homeownership set-aside program applications and certifications is 65,000 hours (13,000 applications/certifications × 5 hours).

D. Comment Request

In accordance with the requirements of 5 CFR 1320.8(d), FHFA published an initial notice requesting comments regarding this information collection in the **Federal Register** on September 23, 2016.¹⁷ The 60-day comment period closed on September 22, 2016. No comments were received.

In accordance with the requirements of 5 CFR 1320.10(a), FHFA is publishing this second notice to request comments regarding the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on members and project sponsors, including through the use of automated collection techniques or other forms of information technology. Comments should be submitted in writing to both

OMB and FHFA as instructed above in the COMMENTS section.

Dated: November 23, 2016.

Kevin Winkler,

Chief Information Officer, Federal Housing Finance Agency.

BILLING CODE 6731-AA-P

FEDERAL RESERVE SYSTEM

Formations of, Acquisitions by, and Mergers of Bank Holding Companies

The companies listed in this notice have applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the

¹⁷ See 81 FR 65648 (Sept. 23, 2016).

banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. The applications will also be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act (12 U.S.C. 1843). Unless otherwise noted, nonbanking activities will be conducted throughout the United States.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than December 23, 2016.

A. Federal Reserve Bank of San Francisco (Gerald C. Tsai, Director, Applications and Enforcement) 101 Market Street, San Francisco, California 94105–1579:

1. *BayCom Corp*, Walnut Creek, California; to become a bank holding company by acquiring 100 percent of Bay Commercial Bank, also of Walnut Creek, California.

Board of Governors of the Federal Reserve System, November 23, 2016.

Michele Taylor Fennell,

Assistant Secretary of the Board.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[30Day–17–16ET]

Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The notice for the proposed information collection is published to obtain comments from the public and affected agencies.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of

information are encouraged. Your comments should address any of the following: (a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) Enhance the quality, utility, and clarity of the information to be collected; (d) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses; and (e) Assess information collection costs.

To request additional information on the proposed project or to obtain a copy of the information collection plan and instruments, call (404) 639–7570 or send an email to omb@cdc.gov. Written comments and/or suggestions regarding the items contained in this notice should be directed to the Attention: CDC Desk Officer, Office of Management and Budget, Washington, DC 20503 or by fax to (202) 395–5806. Written comments should be received within 30 days of this notice.

Proposed Project

Comprehensive HIV Prevention and Care for Men Who Have Sex with Men of Color (THRIVE)—New—National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention (NCHHSTP), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

Approximately 40,000 people in the United States are newly infected with HIV each year. Gay, bisexual, and other men who have sex with men (MSM) remain the population most affected by HIV infection in the United States. Among MSM, those who are black and Hispanic comprise 64% of all new infections. Goals of the National HIV Prevention Strategy include increasing the number of MSM of color living with HIV infection who achieve HIV viral suppression with antiretroviral treatment, and decreasing the number of new HIV infections among MSM of color at risk of acquiring an HIV infection. Achieving these outcomes requires that men utilize a broad variety of HIV prevention and care services.

In 2015, CDC developed a cooperative agreement program to promote use and

adoption of Targeted Highly-Effective Interventions to Reverse the HIV Epidemic (THRIVE). Awardees are seven state and local health departments that are developing and implementing demonstration projects to provide comprehensive HIV prevention and care services for MSM of color. Each THRIVE awardee is creating a collaborative with community-based organizations, health care, behavioral health, and social services providers in its jurisdiction to strengthen referrals and coordination of HIV testing, prevention, and treatment services. Overall, approximately 80 partner organizations are participating in THRIVE collaboratives.

Each THRIVE collaborative is required to address a total of 24 HIV prevention and care services, including 13 HIV prevention services for MSM of color at substantial risk for HIV infection and 11 HIV care services for MSM of color living with HIV infection. HIV prevention services include: 1. HIV testing that uses lab-based 4th generation HIV tests; 2. Assessment of indications for pre-exposure prophylaxis (PrEP) and non-occupational post-exposure prophylaxis (nPEP); 3. Provision of PrEP and nPEP; 4. Adherence interventions for PrEP and nPEP; 5. Immediate linkage to care, antiretroviral treatment, and partner services for those diagnosed with acute HIV infection; 6. Expedient linkage to care, antiretroviral treatment, and partner services for those diagnosed with established HIV infection; 7. STD screening and treatment; 8. Partner services for patients with STDs; 9. Behavioral risk-reduction interventions; 10. Screening for behavioral health and social services needs; 11. Linkage to behavioral health and social services; 12. Navigators to assist utilizing HIV prevention and behavioral health and social services; 13. Navigators to assist enrollment in a health plan.

HIV care services include: 1. HIV primary care, including antiretroviral treatment; 2. Retention interventions; 3. Re-engagement interventions; 4. Adherence interventions; 5. STD screening and treatment; 6. Partner services; 7. Behavioral risk reduction interventions; 8. Screening patients for behavioral health and social services needs; 9. Linkage to behavioral health and social services; 10. Navigators to assist linking to care and accessing behavioral health and social services; 11. Navigators to assist enrollment in a health plan.

CDC requests OMB approval to collect the information needed to monitor and assess the demonstration projects. In general, information collection will be conducted in 2 steps: THRIVE
