SUPPLEMENTARY INFORMATION: The Tribe submitted an application to the Department of the Interior (Department) requesting the placement of approximately 232 acres of fee land in trust by the United States upon which the Tribe would construct a casino resort. The facility would include an approximately 140,000 square foot casino, an approximately 250-room hotel, an event/convention center, a retail center, and associated parking and infrastructure. The new facility would replace the Tribe’s existing casino, and the existing casino buildings would be converted to a different use. Accordingly, the proposed action for the Department is the acquisition requested by the Tribe. The proposed fee-to-trust property is located in an unincorporated part of Shasta County, California, approximately 1.6 miles northeast of the existing Redding Rancheria, and about two miles southeast of downtown Redding. The proposed trust property includes seven parcels, bound by Bechelli Lane on the north, private properties to the south, the Sacramento River on the west, and Interstate 5 on the east. The Shasta County Assessor’s parcel numbers (APNs) for the property are 055-010-011, 055-010-012, 055-010-014, 055-010-015, 055-050-001, 055-020-004 and 055-020-005. The

purpose of the proposed action is to improve the economic status of the Tribal government so it can better provide housing, health care, education, cultural programs, and other services to its members.

The proposed action encompasses the various Federal approvals which may be required to implement the Tribe’s proposed economic development project, including approval of the Tribe’s fee-to-trust application. The EIS will identify and evaluate issues related to these approvals, and will also evaluate a range of reasonable alternatives. Possible alternatives currently under consideration are a reduced-intensity casino alternative, an alternate-use (non-casino) alternative, and one or more off-site alternatives. The range of issues and alternatives may be expanded based on comments received during the scoping process.

Areas of environmental concern identified for analysis in the EIS include land resources; water resources; air quality; noise; biological resources; cultural/historical/archaeological resources; resource use patterns; traffic and transportation; public health and safety; hazardous materials and hazardous wastes; public services and utilities; socioeconomic; environmental justice; visual resources/aesthetics; and cumulative, indirect, and growth-inducing effects. The range of issues and alternatives to be addressed in the EIS may be expanded or reduced based on comments received in response to this notice and at the public scoping meeting. Additional information, including a map of the project site, is available by contacting the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

Public Comment Availability: Comments, including names and addresses of respondents, will be available for public review at the BIA address shown in the **ADDRESSES** section, during regular business hours, 8:00 a.m. to 4:30 p.m., Monday through Friday, except holidays. Pokagon Band of Potawatomi Indians, Michigan and Indiana Liquor Control Code (Indiana)

Section 1 Legislative Findings.

The Pokagon Band Tribal Council hereby finds as follows:

(a) The importations, distribution, manufacture, and Sale of Alcoholic Liquor for commercial purposes on the Tribe's Reservation is a matter of special concern to the Tribe.

(b) Federal law as embodied in 18 U.S.C. 1161 provides that certain sections of the United States Code, commonly referred to as Federal Indian Liquor Laws, shall not apply to any act or transaction within any area of Indian country, provided such act or transaction is in conformity with both the laws of the state in which such act or transaction occurs, and with an act duly adopted by the tribe having jurisdiction over such area of Indian country.

Section 2 Declaration of Policy.

(a) The Council hereby declares that the policy of the Tribe is to eliminate the problems associated with unlicensed, unregulated, and unlawful importation, distribution, manufacture, and Sale of Alcoholic Liquor for commercial purposes on the Tribe's Reservation, and to promote temperance in the use and consumption of Alcoholic Liquor by establishing and enforcing Tribal regulation over such activities on the Reservation.

(b) The importation, distribution, manufacture, and Sale of Alcoholic Liquor for commercial purposes on the Reservation shall be lawful, provided that such activity is conducted by the Tribe or by an authorized Tribal Enterprise, and is in conformity with this Code. Such conditions are necessary to increase the Tribe's ability to control and regulate the distribution, Sale, and possession of Alcoholic

Liquor, while at the same time provide an important and necessary source of revenue for continued operation of the Tribal government and delivery of Tribal governmental services.

Section 3 Authority. The Council has authority to adopt this Liquor Control Code ("Code") pursuant to the authority and powers vested in it by Article IX, subsections 2(a), 2(e), 2(i), and 2(j), of the Tribal Constitution and the inherent authority of the Band as a sovereign tribal nation to provide for the health, safety, and welfare of the Pokagon Band. Further, the Supreme Court held in *United States v. Mazurie*, 419 U.S. 544 (1975), that Congress through 18 U.S.C. 1161 delegated to Indian tribes authority to control the introduction, distribution, and consumption of Alcoholic Liquor within Indian country.

Section 4 Short Title. This Code shall be known and cited as the "Pokagon Band Liquor Control Code (Indiana)".

Section 5 Scope and Purpose.

(a) The scope of this Code is limited to the areas of Indian country located in the State of Indiana over which the Tribe exercises jurisdiction. The Pokagon Band Liquor Control Code enacted by the Tribal Council on September 9, 2006 by adoption of Resolution No. 06–09–09–12, which was certified by the Secretary of the Interior and published in the **Federal Register** on January 19, 2007 (72 FR 2545) ("Liquor Control Code (Michigan)"), applies solely to the areas of Indian country located in the State of Michigan over which the Tribe exercises jurisdiction. This Code shall have no application to any areas of Indian country located in the State of Michigan.

(b) The purpose of this Code is to prohibit the importation, manufacture, distribution, and Sale of Alcoholic Liquor for commercial purposes on the Reservation except pursuant to a License issued by the Commission under the provisions of this Code and other Tribal laws.

Section 6 Application of 18 U.S.C. 1161. The importation, manufacture, distribution, and Sale of Alcoholic Liquor for commercial purposes on the Reservation shall be "in conformity with" this Code and the laws of the State of Indiana as that phrase is used in 18 U.S.C. 1161.

Section 7 Incorporation by Reference of Indiana Laws.

(a) In accordance with 18 U.S.C. 1161, the Tribe hereby adopts and applies as Tribal law those Indiana laws, as amended, relating to the Sale and regulation of Alcoholic Liquor

encompassing the following areas: Sale to a minor; Sale to a visibly intoxicated individual; Sale of adulterated or misbranded liquor; hours of operation; and similar substantive provisions, including such other laws prohibiting the Sale of Alcoholic Liquor to certain categories of individuals. Said Tribal laws which are defined by reference to the substantive areas of Indiana laws referred to in this section shall apply in the same manner and to the same extent as such laws apply elsewhere in Indiana to off-Reservation transactions unless otherwise agreed by the Tribe and State; provided, that nothing in this Code shall be construed as a consent by the Tribe to the jurisdiction of the State of Indiana or any of its, agencies, courts or subordinate political subdivisions or municipalities within the Reservation over any activity arising under or related to the subject of this Code nor shall anything in this Code constitute an express or implied waiver of the sovereign immunity of the Tribe.

(b) In the event of any conflict or inconsistency between "adopted and applied" Indiana laws and this Code, the provisions of this Code shall govern to the extent allowed under 18 U.S.C. 1161.

(c) Whenever such Indiana laws are incorporated herein by reference, amendments by the State thereto shall also be deemed to be incorporated upon their effective date in the State of Indiana without further action by the Tribal Council.

(f) The Applicant has a suspended or revoked state Alcoholic Liquor license.

Section 27 Temporary Denial. If the application is denied solely on the basis of subsections 26(b) or 26(d), the Gaming Commission shall, within fourteen (14) days of receipt of the application, issue a written notice of temporary denial to the Applicant. Such notice shall set forth the reasons for denial and shall state that the denial will become permanent if the problem(s) is not corrected within fifteen (15) days following receipt of the notice.

Section 28 Multiple Locations. Each Licensee shall be issued to a specific Licensee. Separate Licenses shall be issued for each of the premises of any business establishment having more than one address.

Section 29 Posting of License. Every Licensee shall post and keep posted its License(s) in a conspicuous place(s) on the licensed premises.

Section 30 Suspension or Revocation of License. Any one of the following actions or inactions by a Licensee shall constitute grounds for the suspension or revocation of a License:

(a) Material misrepresentation of facts contained in any License application;

(b) Not in compliance with Tribal or federal laws;

(c) Failure to comply with any condition of the License, including failure to pay a required fee;

(d) A plea, verdict, or judgment of guilty, or a plea of *nolo contendere* to any offense under federal or state law prohibiting or regulating the Sale, use, possession, or giving away of Alcoholic Liquor entered against one of its officers, directors, or employees with primary management responsibility related to the Sale of Alcoholic Liquor;

(e) Failure to take reasonable steps to correct objectionable conditions constituting a nuisance on the licensed premises or any adjacent area within a reasonable time after receipt of a notice to make such corrections has been received from the Commission or its authorized representative; or

(f) Suspension or revocation of the Licensee's state Alcoholic Liquor license.

Section 31 Initiation of Suspension or Revocation Proceedings. Suspension or revocation proceedings are initiated by the Gaming Commission either:

(a) On the Commission's own initiative through adoption of a resolution that sets forth allegations that if substantiated, would provide grounds

under this Code for the Commission to suspend or revoke the License(s); or

(b) based on a signed request by any Person and filed with the Commission that alleges facts that would, if substantiated, provide grounds under this Code for the Commission to suspend or revoke the License(s).

The Gaming Commission shall cause the matter to be set for a hearing before the Commission on a date not later than thirty (30) days from the Commission's adoption of the resolution or its receipt of a request. Notice of the time, date, and place of the hearing shall be given the Licensee and the public in the same manner as set forth in Section 24. The notice shall state that the Licensee has the right to file a written response, verified under oath and signed by the Licensee, five (5) days prior to the hearing date.

If the Gaming Commission determines that the grounds for suspension or revocation of a License are supported by reliable evidence and that such grounds pose a substantial risk of imminent harm to the health, welfare, or safety of the public, the Gaming Commission may immediately suspend such License *provided* that such emergency suspension may not exceed three (3) calendar days without a hearing.

Section 32 Hearing. The hearing shall be held before the Gaming Commission under such rules of procedure as it may adopt. Both the Licensee and the Person filing the request may present witnesses to testify and to present written documents in support of their positions to the Gaming Commission. The Gaming Commission may issue limitations in the course of the hearing regarding the length, relevance, or repetitiveness of each witness's testimony. The Gaming Commission shall render its decision within sixty (60) days after the date of the hearing. The decision of the Gaming Commission shall be final.

Section 33 Delivery of License. A Licensee, upon suspension or revocation of such License, shall promptly return the License to the Gaming Commission. In cases involving suspension, the Gaming Commission shall return the License to the Licensee at the expiration or termination of the suspension period, with a memorandum of the suspension written or stamped upon the face thereof in red ink.

Section 34 General Penalties. Any Person adjudged to be in violation of this Code, including any lawful regulation promulgated pursuant thereto, shall be subject to a civil fine of not more than five hundred dollars (\$500.00) for each such violation. The Gaming Commission may adopt by

resolution a separate schedule for fines for each type of violation, taking into account the seriousness and threat the violation may pose to the general health and welfare. Such schedule may also provide, in the case of repeated violations, for imposition of monetary penalties greater than the five hundred dollar (\$500.00) limitation set forth above. The penalties provided for herein shall be in addition to any criminal penalties that may be imposed under applicable law.

Section 35 Initiation of Action. Any violation of this Code shall constitute a public nuisance. The Gaming Commission, on behalf of and in the name of the Tribe, may initiate and maintain an action in Tribal Court to abate and permanently enjoin any nuisance declared under this Code. Any action taken under this section shall be in addition to any other penalties provided for in this Code. The plaintiff shall not be required to give bond in this action.

Section 36 Inspection. Immediately upon the request of a law enforcement officer or a Commission investigator empowered to enforce this Code and the rules and regulations promulgated hereunder, a Licensee shall make the licensed premises available for inspection and search during regular business hours or when the licensed premises are occupied by the Licensee, including the Licensee's employees and agents.

Section 37 Contraband; Seizure; Forfeiture.

(a) All Alcoholic Liquor within the Reservation held, owned, or possessed by any Person or Licensee operating in violation of this Code is hereby declared to be contraband and subject to forfeiture to the Tribe.

(b) Within three (3) weeks following the seizure of the contraband, a hearing shall be held by the Gaming Commission, at which time the operator or owner of the contraband shall be given an opportunity to present evidence in defense of his or her activities.

(c) Notice of the hearing shall be given to the Person from whom the property was seized, if known prior to hearing. If the Person is unknown, notice of the hearing shall be posted at the place where the contraband was seized and at other public places on the Reservation. The notice shall describe the property seized, and the time, place, and cause of seizure and give the name and place of residence, if known, of the Person from whom the property was seized.

(d) If upon hearing, the evidence warrants, or if no Person appears as a claimant, the Gaming Commission shall

thereupon enter a determination of forfeiture and order such contraband sold or destroyed forthwith.

Section 38 Disposition of Proceeds. The gross proceeds collected by the Commission from licensing shall be distributed as follows:

(a) First, to the Commission for the payment of all necessary personnel, administrative costs, and legal fees for the administration of the provisions of this Code; and

(b) Second, to the Tribe any remainder.

Section 39 Appeals. Appeals under this Code may only be brought in the Pokagon Band Tribal Court by an Applicant or a Licensee to:

(a) Challenge a final Gaming Commission decision to deny a License, to deny an application to renew or transfer a License, or to revoke a License; or

(b) to compel a Gaming Commission decision or action unreasonably delayed or unlawfully withheld more than sixty (60) days beyond any mandatory time limit established by law.

The Tribal Court shall hold unlawful and set aside any Gaming Commission decision it finds to be arbitrary, not in accordance with law, in excess of statutory authority, or unsupported by substantial evidence in the record. The Tribal Court shall give deference to the Gaming Commission's reasonable interpretations of this Code and any rules or regulations promulgated hereunder.

Section 40 License Not a Property Right. Notwithstanding any other provision of this Code, a License is a mere permit for a fixed duration of time. A License shall not be deemed a property right or vested right of any kind, nor shall the granting of a License give rise to a presumption of legal entitlement to the granting of such License for a subsequent time period.

Section 41 Savings Clause. In the event any provision of this Code shall be found or declared to be invalid by a court of competent jurisdiction, all of the remaining provisions of this Code shall be unaffected and shall remain in full force and effect.

Section 42 Effective Date. The effective date of this Code is the date that the Secretary of the Interior publishes the same in the **Federal Register**.

Section 43 Prior Inconsistent Acts. Except as provided otherwise under applicable federal law, this Code shall be the exclusive Tribal Law governing the introduction, distribution, sale and regulation of Alcoholic Liquor within the Reservation. Excluding the Liquor Control Code (Michigan), this Code

shall supersede any and all Tribal Laws that are inconsistent with the provisions of this Code, and such laws are hereby rescinded and repealed.

Section 44 Sovereign Immunity Preserved.

(a) The Tribe, and all of its constituent parts, which includes but is not limited to Tribal Enterprises, subordinate organizations, boards, committees, officers, employees and agents, are immune from suit in any jurisdiction except to the extent that such immunity has been expressly and unequivocally waived in writing by the Tribe.

(b) Nothing in this Code, and no enforcement action taken pursuant to this Code or otherwise, including without limitation the filing of suit by the Gaming Commission to enforce any provision of this Code or other Tribal Law, shall constitute a waiver of such sovereign immunity, either as to any counterclaim, regardless of whether the asserted counterclaim arises out of the same transaction or occurrence, or in any other respect.
