SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–79386; File No. SR–BatsBYX–2016–35]

Self-Regulatory Organizations; Bats BYX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Make Ministerial and Corrective Changes to Rules 11.9, 11.13, 11.16, 11.22, and 11.27

November 23, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November 16, 2016, Bats BYX Exchange, Inc. (the “Exchange” or “BYX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b–4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to make ministerial and corrective changes to Exchange Rules 11.9(a)(2), 11.13(b), 11.16(g)(4), 11.22(f), and 11.27(a)(7)(A)(i)2.

The text of the proposed rule change is available at the Exchange's Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of

the most significant parts of such statements.

(A) *Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

The Exchange proposes to make ministerial and corrective changes to Exchange Rules 11.9(a)(2), 11.13(b), 11.16(g)(4), 11.22(f), and 11.27(a)(7)(A)(i)2. First, the exchange proposes to harmonize the description of BYX Market Orders under Exchange Rule 11.9(a)(2) with the description of an identical order type on the Exchange's affiliate, Bats BZX Exchange, Inc. (“BZX”). Exchange Rule 11.9(a)(2) currently states that a BYX Market Order that is designated as BYX Only⁵ with a time-in-force of Day⁶ will be cancelled if, when reaching the Exchange, it cannot be executed on the System⁷ in accordance with Exchange Rule 11.13(a)(4) unless the reason that such BYX Market Order cannot be executed is because it is entered into the System and the NBO (NBB) is greater (less) than the Upper (Lower) Price Band, in which case such order will be posted by the System to the BYX Book, and priced at the Upper (Lower) Price Band, and re-priced as set forth in Rule 11.18(e)(5)(B). This mirrors the description of BZX Market Orders under BZX Rule 11.9(a)(2), but for the BZX rule stating that the BZX Market Order in the circumstance described in the text would be posted by the System to the BZX Book, and displayed at the Upper (Lower) Price Band. Therefore, in order to make the description of market orders identical under both rules, the Exchange proposes to replace the phrase “and priced” with the term “displayed.”⁸

Second, the Exchange proposed to amend Rule 11.13(b) to correct an incorrect cross reference. Exchange Rule 11.13(b) states that depending on the instructions set by the User⁹ when the incoming order was originally entered, if a market or marketable limit order has not been executed in its entirety pursuant to Exchange Rule 11.13(a) above, the order shall be eligible for additional processing under one or more of the routing options listed under paragraph (a)(3) of Rule 11.13. The reference to paragraph (a)(3) of Rule 11.13 is incorrect as the routing options

⁵ See Exchange Rule 11.9(c)(4).
