required under Section 1110.102(a)(2) of the final rule. The ACAB Systems Safeguards Attestation Form collects information based on an assessment by the ACAB conducted within three years prior to the date of the Person or Certified Person’s submission of a completed certification statement under Section 1110.101(a) of the final rule. This collection includes specific requirements of the final rule, which the ACAB must certify are satisfied, and the provision of specific information by the ACAB, such as the date of the assessment and the auditing standard(s) used for the assessment.

Section 1110.501(a)(2) of the final rule provides that a state or local government office of AG or IG and a Person that is a department or agency of the same state or local government, respectively, are not considered to be owned by a common “parent” entity under Section 1110.501(a)(1)(ii) for the purpose of determining independence, and attestation by the AG or IG is possible. The AG or IG Systems Safeguards Attestation Form is for the use of a state or local government AG or IG to attest on behalf of a state or local government department or agency Person or Certified Person. The AG or IG Systems Safeguards Attestation Form requires the state or local government AG or IG to attest that a Person seeking certification or a Certified Person seeking renewal of certification has information security systems, facilities and procedures in place to protect the security of the Limited Access DMF, as required under Section 1110.102(a)(2) of the final rule. The AG or IG Systems Safeguards Attestation Form collects information based on an assessment by the state or local government AG or IG conducted within three years prior to the date of the Person or Certified Person’s submission of a completed certification statement under Section 1110.101(a) of the final rule. This collection includes specific requirements of the final rule, which the state or local government AG or IG must certify are satisfied, and the provision of specific information by the state or local government AG or IG, such as the date of the assessment.

NTIS requires emergency clearance under the Paperwork Reduction Act in time to be able to implement the certification program on November 28, 2016.

**DEPARTMENT OF DEFENSE**

**Department of the Army, Corps of Engineers**

**Record of Decision for the Trinity Parkway From IH–35/SH–183 to US–175/SH–310 Environmental Impact Statement, Dallas County, TX**

**AGENCY:** Department of the Army, U.S. Army Corps of Engineers, DoD.

**ACTION:** Record of Decision.

**SUMMARY:** The U.S. Army Corps of Engineers (USACE), Fort Worth District, is issuing this notice to advise Federal, state, and local governmental agencies and the public that USACE has signed a Record of Decision (ROD) for the Trinity Parkway from Interstate Highway (IH) 35/State Highway (SH) 183 to United States (US) 175/SH 310 Environmental Impact Statement, Dallas County, TX. This ROD was rendered to declare that a USACE action, a Section 408 Permission of the City of Dallas to alter the Dallas Floodway, is in the public interest.

**DATES:** The USACE Fort Worth District Commander and Colonel Calvin C. Hudson II, signed the ROD and Section 408 Permission on October 21, 2016.

**ADDRESSES:** U.S. Army Corps of Engineers, Regional Planning and Environmental Center, CESWF–PEC–CI (Attn: Ms. Marcia Hackett), 819 Taylor Street, Room 3A12, Fort Worth, TX 76102.

**FOR FURTHER INFORMATION CONTACT:** Marcia Hackett, Senior Environmental Planner, Regional Planning and Environmental Center. Email address: marcia.r.hackett@usace.army.mil.

**SUPPLEMENTARY INFORMATION:** The City of Dallas has requested permission to construct the Trinity Parkway in Dallas County, Texas. The Parkway will constitute an alternation of the existing Dallas Floodway, a USACE federally authorized civil works project that requires Title 33 United States Code, Section 408 (Section 408) compliance. The proposed Parkway consists of a multi-lane transportation project constructed on earthen embankments generally aligned along the East Levee within the Dallas Floodway. The alterations were analyzed and disclosed in the Final Impact Statement dated March 2014, which was prepared by the Federal Highway Administration, as the lead agency; the Texas Department of Transportation (TxDOT); and the North Texas Tollway Authority (NTTA). Those agencies in addition to the City of Dallas are the project’s sponsors. This ROD addresses the USACE Section 408 Permission.

Douglas C. Sims, RPA Chief, Environmental Compliance Branch, Regional Planning and Environmental Center.

**DEPARTMENT OF EDUCATION**

**Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Grants to Charter Management Organizations for Replication and Expansion of High-Quality Charter Schools Program**

**AGENCY:** Office of Innovation and Improvement (OII), Department of Education (ED).

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 3501 et seq.), ED is proposing a new information collection.

**DATES:** Interested persons are invited to submit comments on or before January 3, 2017.
Type of Review: A new information collection.
Respondents/Affected Public: Private Sector.
Total Estimated Number of Annual Responses: 50.
Total Estimated Number of Annual Burden Hours: 2,000.
Abstract: The major purposes of the CSP are to expand opportunities for all students, particularly traditionally underserved students, to attend charter schools and meet challenging State academic standards; provide financial assistance for the planning, program design, and implementation of public charter schools; increase the number of high-quality charter schools available to students across the United States; evaluate the impact of charter schools on student achievement, families, and communities; share best practices between charter schools and other public schools; encourage States to provide facilities support to charter schools; and support efforts to strengthen the charter school authorizing process. Through the CSP, Grants to Charter Management Organizations for Replication and Expansion of High-Quality Charter Schools (Charter Management Organization (CMO) competition (CFDA number 84.282M), the Department awards grants to charter management organizations (CMOs) to enable them to replicate or expand one or more high-quality charter schools. Grant funds may be used to expand the enrollment of one or more existing high-quality charter schools, or to replicate one or more new charter schools that are based on an existing, high-quality charter school model.

The application package requests programmatic and budgetary information needed to evaluate new applications and make funding decisions based on the authorizing statute, program regulations, and EDGAR. Respondents are non-profit Charter Management Organizations interested in applying for funding under the CMO program.

Dated: November 28, 2016.

Tomakie Washington,
Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.

DEPARTMENT OF ENERGY

Advanced Scientific Computing Advisory Committee

AGENCY: Office of Science, Department of Energy.

ACTION: Notice of open meeting.

SUMMARY: This notice announces a meeting of the Advanced Scientific Computing Advisory Committee (ASAC). The Federal Advisory Committee Act requires that public notice of these meetings be announced in the Federal Register.

DATES: Tuesday, December 20, 2016 8:30 a.m.–5:30 p.m.
Wednesday, December 21, 2016 8:30 a.m.–12:00 p.m.

FOR FURTHER INFORMATION CONTACT: Christine Chalk, Office of Advanced Scientific Computing Research; SC–21/ Germantown Building; U.S. Department of Energy; 1000 Independence Avenue SW; Washington, DC 20585; Telephone (301) 903–7496

SUPPLEMENTARY INFORMATION:
Purpose of the Committee: The purpose of the committee is to provide advice and guidance on a continuing basis to the Office of Science and to the Department of Energy on scientific priorities within the field of advanced scientific computing research.

Purpose of the Meeting: This meeting is the semi-annual meeting of the Committee.

Tentative Agenda Topics
• View from Germantown
• Economic Models for Return on Investment in High Performance Computing
• Update on Exascale project activities
• Update from Subcommittee on Laboratory Directed Research and Development
• New Charge for Committee of Visitors for Research programs
• Technical presentations
• Public Comment (10-minute rule)

The meeting agenda includes an update on the budget, accomplishments and planned activities of the Advanced Scientific Computing Research program; an update on exascale computing project activities; a briefing from IDC on progress in developing their economic models for estimating the Return on Investment in High Performance Computing; a new charge to form a Committee of Visitors to review the Advanced Scientific Computing.
