Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Aviation Medical Examiners Program

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew a previously approved information collection. This collection is necessary in order to determine applicants qualification for certification as Aviation Medical Examiners (AME’s).
The FAA is considering a request from the Laconia Airport Authority in Gilford, NH, to dispose of 2.96 acres of airport land that is not required for aviation purposes at Laconia Municipal Airport.

The subject parcel has been identified as property no longer needed for aviation use by the Laconia Airport Authority (LAA). The property, Lot 13, located along the east side of Lily Pond Road (NH Route 11C) in the Town of Gilford, is located on the northerly side of the airport’s existing business park. The intended use of the property is for boat storage, which is a compatible use adjacent to the airport. Given the location of the parcel, the disposal of this property will have no effect on aviation land nor future development opportunities for the airport. The proceeds of the disposal will be placed in the airport’s account to be used for the operation and maintenance of the airport. Appropriate avigation easements will be placed on the property to ensure compatibility with the airport and the airport’s airspace.

DATES: Comments must be received on or before January 3, 2017.

ADDRESS: You may send comments using any of the following methods:

[Docket No. MARAD 2015–0049]

Application of Cargo Preference Requirements to the Federal Ship Financing Program

AGENCY: Maritime Administration (MARAD).

ACTION: Final Policy Clarification.

SUMMARY: On April 22, 2015, the Maritime Administration (MARAD) published a Notice of Proposed Policy Clarification (80 FR 22611) seeking comments on a proposed policy clarifying the application of the Cargo Preference Act of 1954 (CPA 1954), 46 U.S.C. 55305, to applications, commitments, and guarantees under MARAD’s Federal Ship Financing Program (Title XII), 46 U.S.C. Chapter 537. This Notice finalizes MARAD’s policy clarification.

DATES: This policy is effective on the date of publication, including for all pending Title XI applications.

FOR FURTHER INFORMATION CONTACT: Owen J. Doherty, Associate Administrator for Business and Finance Development, Maritime Administration, 1200 New Jersey Avenue SE., Washington, DC 20590, (202) 366–9595, owen.doherty@dot.gov.

SUPPLEMENTARY INFORMATION: MARAD received ten (10) public comments in response to its Notice of Proposed Policy Clarification. In addition, on July 9, 2015, MARAD held a meeting with interested stakeholders, a transcript of which was published on the public docket folder at www.regulations.gov under docket number MARAD–2015–0049. The public comments ranged from full support for the Proposed Policy Clarification as published to complete opposition to the application of the CPA 1954 to the Title XI program.

Numerous comments focused on the application of the CPA 1954 to mortgage-period financing. Some commenters asserted that the application of the CPA 1954 to mortgage-period financing would result in such a severe administrative and cost burden that it would render compliance with the CPA 1954 impracticable and deter future Title XI applications. Commenters also asserted that the Proposed Policy Clarification was a significant deviation from MARAD’s prior practice of not applying the CPA 1954 to mortgage-period financing. Relatedly, virtually all commenters were concerned about the timing for application of the CPA 1954, with
