On August 22, 2016, the Department of Labor issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of Halliburton Energy Services, Inc., Technology, Duncan, Oklahoma.

To support the request for reconsideration, the petitioners supplied additional information regarding their activities to supplement that which was gathered during the initial investigation. In the initial investigation, the Department determined that the worker group was engaged in the production of crude oil, natural gas, and natural gas liquids (NGLs).
