

take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, motions to intervene, or protests must be received on or before the specified comment date for the particular application.

o. Filing and Service of Responsive Documents: Any filing must (1) bear in all capital letters the title "COMMENTS", "MOTION TO INTERVENE", or "PROTEST" as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). All comments, motions to intervene, or protests should relate to project works which are the subject of the amendment request. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of all other filings in reference to this application must be accompanied by proof of service on all persons listed in the service list prepared by the

Commission in this proceeding, in accordance with 18 CFR 4.34(b) and 385.2010.

Columbia Gas Transmission, LLC, Columbia Gulf Transmission, LLC; Notice of Revised Schedule for Environmental Review of the Mountaineer Xpress Project and the Gulf Xpress Project

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the environmental impact statement (EIS) for Columbia Gas Transmission, LLC's Mountaineer Xpress Project and Columbia Gulf Transmission, LLC's Gulf Xpress Project. The first notice of schedule, issued on September 14, 2016, identified April 28, 2017 as the final EIS issuance date. However, due to recently filed re-routes and additional environmental information that required re-opening a scoping period, it was necessary for us to revise the published EIS schedule. Staff has now received all the information necessary to complete our review. As a result, staff has revised the schedule for issuance of the final EIS, based on a revised issuance of the draft EIS in February 2017.

Schedule for Environmental Review

Issuance of Notice of Availability of the final EIS: July 28, 2017.

90-day Federal Authorization Decision Deadline: October 26, 2017.

If another schedule change becomes necessary, an additional notice will be provided so that the relevant agencies are kept informed of the projects' progress.

Additional Information

In order to receive notification of the issuance of the EIS and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription (<http://www.ferc.gov/docs-filing/esubscription.asp>).
