Extension:

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Exchange Act Rule 12d1–3 (17 CFR 240.12d1–3) requires a certification that a security has been approved by an exchange for listing and registration pursuant to Section 12(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78l(d)) to be filed with the Commission. The information required under Rule 12d1–3 must be filed with the Commission and is publicly available. We estimate that it takes approximately one-half hour per response to provide the information required under Rule 12d1–3 and that the information is filed by approximately 688 respondents for a total annual reporting burden of 344 hours (0.5 hours per response × 688 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Submission for OMB Review; Comment Request

Extension:
Rule 17a–25.
SEC File No. 270–482, OMB Control No. 3235–0540.

Paragraph (a)(1) of Rule 17a–25 requires registered broker-dealers to electronically submit securities transaction information, including identifiers for prime brokerage arrangements, average price accounts, and depository institutions, in a standardized format when requested by the Commission staff. In addition, Paragraph (a)(3)(c) of Rule 17a–25 requires broker-dealers to submit, and keep current, contact person information for electronic blue sheets ("EBS") requests. The Commission uses the information for enforcement inquiries or investigations and trading reconstructions, as well as for inspections and examinations.

The Commission estimates that it sends approximately 7,697 electronic blue sheet requests per year to clearing broker-dealers that in turn submit an average 124,912 responses.1 It is

1 A single EBS request has a unique number assigned to each request (e.g., "09000001"). However, the number of broker-dealer responses generated from one EBS request can range from one to several
estimated that each broker-dealer that responds electronically will take 8 minutes, and each broker-dealer that responds manually will take 1 ½ hours to prepare and submit the securities trading data requested by the Commission. The annual aggregate hour burden for electronic and manual response firms is estimated to be 8,114 (59,958 × 8 ÷ 60 = 7,994 hours) + (80 × 1.5 = 120 hours), respectively. In addition, the Commission estimates that it will request 8 broker-dealers to supply the contact information identified in Rule 17a–25(c) and estimates the total aggregate burden hours to be 2. Thus, the annual aggregate burden for all respondents to the collection of information requirements of Rule 17a–25 is estimated at 8,116 hours (7,994 + 120 + 2).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
