

Technical Assistance Assessments initiative. Through these assessments, FTA collaborates with tribal transit leaders to review processes and identify areas in need of improvement and then assist with solutions to address these needs. FTA completed fifteen assessments in FY15, and expects to do a similar number in FY16. These assessments include discussions of compliance areas pursuant to the Master Agreement, a site visit, promising practices reviews, and technical assistance from FTA and its contractors. These workshops and assessments have received exemplary feedback from Tribal Transit Leaders, and have provided FTA with invaluable opportunities to learn more about Tribal transit leaders' perspectives, and honor the sovereignty of tribal nations. FTA will post information about upcoming workshops to its Web site and disseminate information about the reviews through its Regional offices. A list of Tribal Liaisons can be found on FTA's Web site at http://www.fta.dot.gov/13094_15845.html.

Funds allocated in this announcement must be obligated in a grant by September 30, 2018. Tribes selected for competitive discretionary funding should work with their FTA regional tribal liaison to finalize the grant application in FTA's TrAMs. FTA plans to publish a notice of funding availability NOFA soliciting proposals for FY 2016 discretionary funds in the coming months.

The NOFA will establish and outline specific eligibility for funding.

Therese W. McMillan,
Acting Administrator.
