Foreign Trade Zone (FTZ) 24—Pittston, Pennsylvania; Notification of Proposed Production Activity; Brake Parts Inc; (Automotive Parts Kitting); Hazleton, Pennsylvania

Brake Parts Inc (BPI) submitted a notification of proposed production activity to the FTZ Board for its facility in Hazleton, Pennsylvania. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on November 30, 2016. A separate application for subzone designation at the BPI facility was submitted and will be processed under Section 400.31 of the Board’s regulations. The facility is used for the kitting of aftermarket automotive parts. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board. Production under FTZ procedures could exempt BPI from customs duty payments on the foreign-status components used in export production. On its domestic sales, BPI would be able to choose the duty rates during customs entry procedures that apply to master cylinder kits, brake drum kits, brake pad kits, brake shoe kits and brake caliper kits (duty rates range from free to 2.5%) for the foreign-status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign-status production equipment. The components and materials sourced from abroad include: Rubber O-
