

efforts to procure domestically-sourced ultrastraight rail within the vibration thresholds, Sound Transit seeks a non-availability waiver of the Buy America requirements for domestically-sourced steel. FTA published a notice in the **Federal Register** announcing the Buy America waiver request (Docket No. FTA-2016-0037) and sought comments from all interested parties, including potential vendors and suppliers. The comment period closed on November 8, 2016, and no comments were received.

Therefore, based on the information supplied in support of Sound Transit's request for a Buy America waiver and the lack of any comments, FTA hereby waives its Buy America requirements for the procurement of ultrastraight rail on the grounds that the manufactured product is not available in the U.S. This waiver is limited to a single procurement by Sound Transit for the procurement of approximately 15,100 feet of ultrastraight rail.

Chief Counsel.
