accounting expenses, any applicable brokerage expenses and other fees and expenses. No fees or charges will be assessed to the affected Contract owners to effect the Substitutions. The proposed Substitutions will not cause the Contract fees and charges currently being paid by Contract owners to be greater after the proposed Substitution than before the proposed Substitution.

5. The Substitutions will be effected at the relative net asset values of the respective shares of the Replacement Portfolios in conformity with Section 22(c) of the 1940 Act and Rule 22c–1 thereunder without the imposition of any transfer or similar charges by the Section 26 Applicants. The Substitutions will be effected without change in the amount or value of any Contracts held by affected Contract owners.

6. The Substitutions will in no way alter the tax treatment of affected Contract owners in connection with their Contracts, and no tax liability will arise for Contract owners as a result of the Substitutions.

7. The obligations of the Section 26 Applicants, and the rights of the affected Contract owners, under the Contracts of affected Contract owners will not be altered in any way.

8. Affected Contract owners will be permitted to transfer Contract value from the subaccount investing in the Existing Portfolio (before Substitution Date) or the Replacement Portfolio (after the Substitution Date) to any other available investment option under the Contract without charge for a period beginning at least 30 days before the Substitution Date through at least 30 days following the Substitution Date. Contract owners with guaranteed living and/or death benefit riders, as applicable, may transfer Contract value from the subaccounts investing in the Existing Portfolios (before the Substitutions) or the Replacement Portfolios (after the Substitutions) to any other available investment option available under their respective riders without charge and without imposing any transfer limitations. Except as described in any market timing/short-term trading provisions of the relevant prospectus, the Section 26 Applicants will not exercise any rights reserved under the Contracts to impose restrictions on transfers between the subaccounts under the Contracts, including limitations on the future number of transfers, for a period beginning at least 30 days before the Substitution Date through at least 30 days following the Substitution Date.

9. All affected Contract owners will be notified, at least 30 days before the Substitution Date about: (a) The intended Substitution of Existing Portfolios with the Replacement Portfolios; (b) the intended Substitution Date; and (c) information with respect to transfers as set forth in Condition 8 above. In addition, the Section 26 Applicants will also deliver to affected Contract owners, at least thirty (30) days before the Substitution Date, a prospectus for each applicable Replacement Portfolio.

10. The Section 26 Applicants will deliver to each affected Contract owner within five (5) business days of the Substitution Date a written confirmation which will include: (a) A confirmation that the Substitutions were carried out as previously notified; (b) a restatement of the information set forth in the Pre-Substitution Notice; and (c) values of the Contract owner’s positions in the Existing Portfolio before the Substitution and the Replacement Portfolio after the Substitution.

11. For a period of two years following the Substitution Date, for those Contracts with assets allocated to the Existing Portfolio on the Substitution Date, the Hartford Insurance Companies will reimburse, on the last business day of each fiscal quarter, the Contract owners whose subaccounts invest in the applicable Replacement Portfolio to the extent that the Replacement Portfolio’s net annual operating expenses (taking into account fee waivers and expense reimbursements) for such period exceed, on an annualized basis, the net annual operating expenses of the Existing Portfolio for fiscal year 2015. In addition, the Section 26 Applicants will not increase the Contract fees and charges that would otherwise be assessed under the terms of the Contracts for a period of at least two years following the Substitution Date.

For the Commission, by the Division of Investment Management, under delegated authority.
