Abstract: ATF is charged with the responsibility for enforcing title XI of the Organized Crime Control Act (the Act) of 1970 and the implementing regulations contained at 27 CFR part 555. Subtitle C of Public Law 107-296, the Safe Explosives Act, enacted November 25, 2003, amended the Act to give the Director authority to grant relief from disability for any person who is prohibited from shipping, transporting, receiving, or possessing an explosive under section 842(i) of the Act. The regulations at 27 CFR, section 555.142 state that the Director may grant relief to an applicant if it is established to the satisfaction of the Director that the circumstances regarding the disability and the applicant's record and reputation are such that the applicant will not be likely to act in a manner dangerous to public safety. The ATF Form 5400.29, Application for Restoration of Explosives Privileges, is used by ATF to conduct background investigations on all applicants for restoration of explosives privileges. In an effort to ensure that any person

applying for restoration of explosives privileges has a record and reputation such that the applicant will not be likely to act in a manner dangerous to public safety and that the granting of such relief would not be contrary to the public interest, ATF proposes that all applicants complete ATF Form 5400.29.
