SUPPLEMENTARY INFORMATION:

Introduction: The Privacy Act (5 U.S.C. 552a) requires the Department to publish in the **Federal Register** this notice of an altered system of records maintained by the Department. The Department’s regulations implementing the Privacy Act are contained in the Code of Federal Regulations (CFR) in 34 CFR part 5b. The Privacy Act applies to information about an individual that contains individually identifiable information that is retrieved by a unique identifier associated with each individual, such as a name or Social Security number. The information about each individual is called a “record,” and the system, whether manual or computer-based, is called a “system of records.” The Privacy Act requires each agency to publish notices of systems of records in the **Federal Register** and to prepare reports for OMB whenever the agency publishes a new system of records or makes a significant change to an established system of records. Each agency is also required to send copies to the Chair of the Senate Committee on Governmental Affairs and the Chair of the House Committee on Government Reform. These reports are intended to permit an evaluation of the probable or potential effect of the proposal on the privacy or other rights of individuals.

The Student Loan Repayment Benefits Case Files (18-05-15) system of records was last published in the **Federal Register** on May 29, 2002 (67 FR 37411). The system is being altered to add a routine use to permit the Department to make a disclosure in the case of a breach of personally identifiable information in the system as well as a routine use to

permit the Department to make a disclosure to labor organizations when relevant and necessary to their duties of exclusive representation. We are also making changes to how the information is stored, noting that hard copy files are stored in locked file cabinets and electronic files are stored on the SharePoint platform on the Department's network. There are also updates in retrievability as records can be retrieved by name or the ED organization that the individual is employed by, as well as added references to SharePoint in the explanation of the system of record's safeguarding of information.

Accessible Format: Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotape, or compact disc) on request to the person listed under **FOR FURTHER INFORMATION CONTACT**.

Electronic Access to This Document: The official version of this document is the document published in the **Federal Register**. Free Internet access to the official edition of the **Federal Register** and the Code of Federal Regulations is available via the Federal Digital System at: www.gpo.gov/fdsys. At this site you can view this document, as well as all other documents of the Department published in the **Federal Register**, in text or Portable Document Format (PDF).
