

alternatives may be selected for implementation by MS TIG.

MS TIG has examined and assessed the extent of injury and the restoration alternatives. In the Draft RP/EA, MS TIG presents to the public its draft plan for providing partial compensation to the public for natural resources and ecological services in the Mississippi Restoration Area. The proposed projects are intended to continue the process of restoring natural resources and ecological services injured or lost as a result of the *Deepwater Horizon* oil spill. Additional restoration planning for the Mississippi Restoration Area will continue.

#### Next Steps

The public is encouraged to review and comment on the Draft RP/EA. After the close of the public comment period, MS TIG will consider and address the comments received before issuing a final RP/EA. A summary of comments received and MS TIG's responses will be included in the final document.

#### Invitation to Comment

MS TIG seeks public review and comment on the Draft RP/EA. Before including your address, telephone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be publicly available at any time.
