SUPPLEMENTARY INFORMATION:

OMB Number: 3133–0004.

Type of Review: Revision of a previously approved collection.

Title: NCUA Call Report and Profile.

Abstract: Sections 106 and 202 of the Federal Credit Union Act require federally insured credit unions to make financial reports to the NCUA. Section 741.6 prescribes the method in which federally insured credit unions must submit this information to NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data and NCUA Form 4501A, Credit Union Profile, is used to obtain non-financial data relevant to regulation and supervision such as the names of senior management and volunteer officials, and are reported through NCUA's on-line portal, Credit Unions Online.

Revisions are being made to NCUA Forms 5300, Call Report, and 4501A, Credit Union Profile, to capture applicable data implemented by amendments to 12 CFR part 723,

Member Business Loans; Commercial Lending. Changes involve moving loan details to a separate page and revising the Call Report loans and business lending, and Credit Union Profile programs and services sections to reflect "commercial" lending terminology. The amount of data elements removed compared to those being added have negated any program differences in burden. Adjustments in the number respondents are due to the decline of federally-insured credit unions.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Annual Burden Hours: 142,896.

By Gerard Poliquin, Secretary of the Board, the National Credit Union Administration, on December 21, 2016.

Dated: December 21, 2016.

Troy S. Hillier,

NCUA PRA Clearance Officer.
