#### *Summary of the Application:*

1. Applicants request an order that would permit the applicants to participate in an interfund lending facility where each Fund could lend money directly to and borrow money directly from other Funds to cover unanticipated cash shortfalls, such as unanticipated redemptions or trade fails.<sup>1</sup> The Funds will not borrow under the facility for leverage purposes and

<sup>1</sup> Applicants request that the order also apply to any existing or future series of the Trusts and to any other registered open-end management investment company or series thereof for which the Initial Adviser and each successor thereto or a person controlling, controlled by, or under common control with the Initial Adviser serves as investment adviser (each a “Fund” and collectively the “Funds,” and each such investment adviser an “Adviser”). For purposes of the requested order, “successor” is limited to any entity that results from a reorganization into another jurisdiction or a change in the type of a business organization.

the loans’ duration will be no more than 7 days.<sup>2</sup>

2. Applicants anticipate that the proposed facility would provide a borrowing Fund with significant savings at times when the cash position of the Fund is insufficient to meet temporary cash requirements. In addition, Funds making short-term cash loans directly to other Funds would earn interest at a rate higher than they otherwise could obtain from investing their cash in repurchase agreements or certain other short term money market instruments. Thus, applicants assert that the facility would benefit both borrowing and lending Funds.

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the Application. Among others, the Adviser, through a designated committee, would administer the facility as a disinterested fiduciary as part of its duties under the investment management agreements with the Funds and would receive no additional fee as compensation for its services in connection with the administration of the facility. The facility would be subject to oversight and certain approvals by the Funds’ Board, including, among others, approval of the interest rate formula and of the method for allocating loans across Funds, as well as review of the process in place to evaluate the liquidity implications for the Funds. A Fund’s aggregate outstanding interfund loans will not exceed 15% of its net assets, and the Fund’s loans to any one Fund will not exceed 5% of the lending Fund’s net assets.<sup>3</sup>

4. Applicants assert that the facility does not raise the concerns underlying section 12(d)(1) of the Act given that the Funds are part of the same group of investment companies and there will be no duplicative costs or fees to the Funds.<sup>4</sup> Applicants also assert that the proposed transactions do not raise the concerns underlying sections 17(a)(1), 17(a)(3), 17(d) and 21(b) of the Act as the Funds would not engage in lending transactions that unfairly benefit insiders or are detrimental to the Funds. Applicants state that the facility will offer both reduced borrowing costs and enhanced returns on loaned funds to all participating Funds and each Fund

<sup>2</sup> Any Fund, however, will be able to call a loan on one business day’s notice.

<sup>3</sup> Under certain circumstances, a borrowing Fund will be required to pledge collateral to secure the loan.

<sup>4</sup> Applicants state that the obligation to repay an interfund loan could be deemed to constitute a security for the purposes of sections 17(a)(1) and 12(d)(1) of the Act.

would have an equal opportunity to borrow and lend on equal terms based on an interest rate formula that is objective and verifiable. With respect to the relief from section 17(a)(2) of the Act, applicants note that any collateral pledged to secure an interfund loan would be subject to the same conditions imposed by any other lender to a Fund that imposes conditions on the quality of or access to collateral for a borrowing (if the lender is another Fund) or the same or better conditions (in any other circumstance).<sup>5</sup>

5. Applicants also believe that the limited relief from section 18(f)(1) of the Act that is necessary to implement the facility (because the lending Funds are not banks) is appropriate in light of the conditions and safeguards described in the application and because the Funds would remain subject to the requirement of section 18(f)(1) that all borrowings of a Fund, including combined interfund loans and bank borrowings, have at least 300% asset coverage.

6. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 12(d)(1)(j) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Rule 17d-1(b) under the Act provides that in passing upon an application filed under the rule, the Commission will consider whether the participation of the registered investment company in a joint enterprise, joint arrangement or profit sharing plan on the basis proposed is consistent with the

provisions, policies and purposes of the Act and the extent to which such participation is on a basis different from or less advantageous than that of the other participants.

For the Commission, by the Division of Investment Management, under delegated authority.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79652; File No. SR-IEX-2016-21]

### Self-Regulatory Organizations; Investors Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Require That an Issuer of Securities Listed Under Chapter 16 Notify IEX About Certain Changes to the Index, Portfolio, or Reference Asset Underlying the Security

December 21, 2016.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”)<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that, on December 15, 2016, the Investors Exchange LLC (“IEX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”),<sup>4</sup> and Rule 19b-4 thereunder,<sup>5</sup> Investors Exchange LLC (“IEX” or “Exchange”) is filing with the Securities and Exchange Commission (“Commission” or “SEC”) proposed rule changes to require that, among other things, an issuer of an ETP listed under Chapter 16 notify IEX about certain changes to the index, portfolio, or reference asset underlying the security. The Exchange has designated this proposal as non-controversial and provided the Commission with the

notice required by Rule 19b-4(f)(6)(iii) under the Act.<sup>6</sup>

The text of the proposed rule change is available at the Exchange’s Web site at [www.iextrading.com](http://www.iextrading.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements [sic] may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

IEX listing rules require issuers to notify IEX about substitution listing events. Specifically, Rule 14.002(a)(32) defines a “Substitution Listing Event”<sup>7</sup> as certain changes in the equity or legal structure of a company and Rule 14.207(e)(4) requires a listed company to provide notification to IEX about these events no later than 15 days before implementation of the event. These events generally would require IEX to review the entity for compliance with the applicable listing requirements.

IEX proposes to expand the definition of a Substitution Listing Event to include cases where an issuer of securities listed under Chapter 16 replaces, or significantly modifies, the index, portfolio, or reference asset underlying its security (including, but not limited to, a significant modification to the index methodology, a change in the index provider, or a change in control of the index provider). This type of change would require IEX to review the changes to the index, portfolio, or

<sup>6</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>7</sup> A “Substitution Listing Event” means: A reverse stock split, re-incorporation or a change in the Company’s place of organization, the formation of a holding company that replaces a listed Company, reclassification or exchange of a Company’s listed shares for another security, the listing of a new class of securities in substitution for a previously-listed class of securities or any technical change whereby the Shareholders of the original Company receive a share-for-share interest in the new Company without any change in their equity position or rights.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 15 U.S.C. 78a.

<sup>3</sup> 17 CFR 240.19b-4.

<sup>4</sup> 15 U.S.C. 78s(b)(1).

<sup>5</sup> 17 CFR 240.19b-4.

<sup>5</sup> Applicants state that any pledge of securities to secure an interfund loan could constitute a purchase of securities for purposes of section 17(a)(2) of the Act.
