Also, the Federal Alcohol Administration Act at 27 U.S.C. 204(c) states that the Secretary shall prescribe the manner and form of all applications for basic permits under the Act. Title: Letterhead Applications and Notices Relating to Wine.

Abstract: The Internal Revenue Code (IRC) regulates certain aspects of wine production and treatment because the production and treatment affect the volume of taxable wine produced. The IRC also imposes standards for natural wine, cellar treatment of natural wine, agricultural wine, and the labeling of all wines in order to protect consumers and protect the product integrity of the wine. TTB therefore requires proprietors to file letterhead applications and notices relating to certain production and treatment activities to ensure that the intended activity will not jeopardize the revenue or defraud consumers.

Abstract: TTB is responsible for the collection of Federal excise taxes on firearms, ammunition, distilled spirits, wine, beer, tobacco products, and cigarette papers and tubes, and the collection of special occupational taxes related to tobacco products and cigarette papers and tubes. The Internal Revenue Code (IRC) requires that these excise and special occupational taxes be collected on the basis of a return and requires taxpayers to maintain records that support the information in the return. The IRC also allows for the filing of claims for the abatement or refund of taxes under certain circumstances, and the IRC requires claimants to maintain records to support such claims. The maintenance of records is necessary to determine the appropriate tax liability, verify computations on tax returns, determine the adequacy of bond coverage, and verify the correctness of claims and other adjustments to tax liability.
