SEcurities And Exchange Commission

[Release No. 34–79974; File No. 4–678]

Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d–2; Order Approving and Declaring Effective a Proposed Amended Plan for the Allocation of Regulatory Responsibilities Among the Financial Industry Regulatory Authority, Inc., Miami International Securities Exchange, LLC, and MIAX PEARL, LLC

February 6, 2017.

On January 12, 2017, Miami International Securities Exchange, LLC (“MIAX”), MIAX PEARL, LLC (“MIAX PEARL”), and the Financial Industry Regulatory Authority, Inc. (“FINRA”) (collectively, the “Parties”) filed with the Securities and Exchange Commission (“Commission” or “SEC”) an amended plan for the allocation of regulatory responsibilities, dated January 11, 2017 (“Amended 17d–2 Plan” or the “Amended Plan”). The Amended Plan was published for comment on January 19, 2017.1 The Commission received no comments on the Amended Plan. This order approves and declares effective the Amended Plan.

I. Introduction

Section 19(g)(1) of the Securities Exchange Act of 1934 (“Act”),2 among other things, requires every self-regulatory organization (“SRO”) registered as either a national securities exchange or national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO’s own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d) or Section 19(g)(2) of the Act.3 Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO (“Common Members”). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act4 was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication.5 With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d–1 and Rule 17d–2 under the Act.6 Rule 17d–1 authorizes the Commission to amend a plan to allocate regulatory responsibilities among the SROs; to remove impediments to, and foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d–1 provides an SRO with the authority to enforce membership compliance with financial responsibility requirements. Rule 17d–1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission approved four plans under the Act7 to allocate regulatory responsibility pursuant to Rule 17d–2.8 Rule 17d–2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their individual members. Under paragraph (c) of Rule 17d–2, the Commission may declare such a plan effective if, after providing for appropriate notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors; to foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. The Commission approved a plan filed pursuant to Rule 17d–2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. Proposed Amended Plan

On November 19, 2014, the Commission declared effective the Plan entered into between FINRA and MIAX for allocating regulatory responsibility pursuant to Rule 17d–2.9 The Plan is intended to reduce regulatory duplication for firms that are members of both MIAX and FINRA. The plan reduces regulatory duplication for firms that are members of MIAX and FINRA by allocating regulatory responsibilities among the SROs.10
