

affected species or stocks will not have an unmitigable adverse impact on the availability of such species or stocks for taking for subsistence purposes.

Endangered Species Act (ESA)

Due to the location of the activity and past experience with similar authorizations for these activities, no ESA-listed marine mammal species are likely to be affected. Therefore, NMFS has determined that this Authorization will have no effect on ESA-listed species and has determined that a section 7 consultation under the ESA is not required for the issuance of an MMPA Authorization to Eglin AFB.

National Environmental Policy Act (NEPA)

In 2015, Eglin AFB provided NMFS with an EA titled Maritime Weapon Systems Evaluation Program (WSEP) Operational Testing in the Eglin Gulf Testing and Training Range (EGTTR), Florida. The EA analyzed the direct, indirect, and cumulative environmental impacts of the specified activities on marine mammals. NMFS, after review and evaluation of the Eglin AFB EA for consistency with the regulations published by the Council of Environmental Quality (CEQ) and NOAA Administrative Order 216-6, Environmental Review Procedures for Implementing the National Environmental Policy Act, adopted the EA. After considering the EA, the information in the 2014 Authorization application, and the **Federal Register** notice, as well as public comments, NMFS' issuance of the 2015 Authorization and determination that the activity was not likely to result in significant impacts on the human environment, NMFS adopted Eglin AFB's EA under 40 CFR 1506.3; and issued a FONSI statement on issuance of an Authorization under section 101(a)(5) of the MMPA.

In accordance with NOAA Administrative Order 216-6 (Environmental Review Procedures for Implementing the National Environmental Policy Act, May 20, 1999), NMFS will again review the information contained in Eglin AFB's EA and determine whether the EA accurately and completely describes the preferred action alternative and the potential impacts on marine mammals. Based on this review and analysis, NMFS has reaffirmed 2015 FONSI statement on issuance of an annual authorization under section 101(a)(5) of the MMPA.

Authorization

As a result of these determinations, NMFS has issued an Incidental Harassment Authorization to Eglin AFB for conducting Maritime WSEP activities, for a period of one year from the date of issuance, provided the previously mentioned mitigation, monitoring, and reporting requirements are incorporated.

Dated: February 9, 2017.
