Summary of the Application

1. Applicants request an order to permit (a) a Fund¹ (each a “Fund of Funds”) to acquire shares of Underlying Funds² in excess of the limits in sections 12(d)(1)(A) and (C) of the Act and (b) the Underlying Funds that are registered open-end investment companies or series thereof, their principal underwriters and any broker or dealer registered under the Exchange Act to sell shares of the Underlying

¹ Applicants request that the order apply to each existing and future series of the Trusts and to each existing and future registered open-end investment company or series thereof that is advised by USAA AMC or its successors or by any other investment adviser controlling, controlled by, or under common control with USAA AMC or its successors and is part of the same “group of investment companies” as the Trusts (each, a “Fund”). For purposes of the requested order, “successor” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. For purposes of the requested order, unless otherwise noted in the application, the term “group of investment companies” means any two or more investment companies, that are either registered investment companies, including closed-end investment companies, or business development companies, that hold themselves out to investors as related companies for purposes of investment and investor services.

² Certain of the Funds and Underlying Funds have obtained or may obtain exemptions from the Commission necessary to permit their shares to be listed and traded on a national securities exchange at negotiated prices and, accordingly, to operate as exchange-traded funds (“ETFs”).

Fund to the Fund of Funds in excess of the limits in section 12(d)(1)(B) of the Act.³ Applicants also request an order of exemption under sections 6(c) and 17(b) of the Act from the prohibition on certain affiliated transactions in section 17(a) of the Act to the extent necessary to permit the Underlying Funds to sell their shares to, and redeem their shares from, the Funds of Funds.⁴ Applicants state that such transactions will be consistent with the policies of each Fund of Funds and each Underlying Fund and with the general purposes of the Act and will be based on the net asset values of the Underlying Funds.

2. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over an Underlying Fund that is not in the same “group of investment companies” as the Fund of Funds through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A), (B), and (C) of the Act.

3. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered

³ Applicants represent that a Funds of Funds will not invest in reliance on the order in business development companies or closed-end investment companies that are not listed and traded on a national securities exchange.

⁴ A Fund of Funds generally would purchase and sell shares of an Underlying Fund that operates as an ETF through secondary market transactions rather than through principal transactions with the Underlying Fund. Applicants nevertheless request relief from section 17(a) to permit a Fund of Funds to purchase or redeem shares from the ETF. A Fund of Funds will purchase and sell shares of an Underlying Fund that is a closed-end fund through secondary market transactions at market prices rather than through principal transactions with the closed-end fund. Accordingly, applicants are not requesting section 17(a) relief with respect to transactions in shares of closed-end funds (including business development companies).

investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Eduardo A. Aleman,
Assistant Secretary.

[Release No. 34-80004; File No. SR-FINRA-2016-047]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Order Granting Approval of a Proposed Rule Change To Amend FINRA Rules To Conform to the Commission's Proposed Amendment to Commission Rule 15c6-1(a) and the Industry-Led Initiative To Shorten the Standard Settlement Cycle for Most Broker-Dealer Transactions From T+3 to T+2

February 9, 2017.

I. Introduction

On December 14, 2016, Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to conform its rules to an amendment proposed by the Commission to Rule 15c6-1(a) under the Act to shorten the standard settlement cycle for most broker-dealer transactions from three business days after the trade date ("T+3") to two business days after the trade date ("T+2").³ The proposed rule change was published for comment in the **Federal Register** on December 28, 2016.⁴ The Commission received three comment

letters on the proposed rule change.⁵ This order approves the proposed rule change.

II. Description of the Proposal

FINRA is proposing to amend FINRA Rules 2341 (Investment Company Securities), 11140 (Transactions in Securities "Ex-Dividend," "Ex-Rights" or "Ex-Warrants"), 11150 (Transactions "Ex-Interest" in Bonds Which Are Dealt in "Flat"), 11210 (Sent by Each Party), 11320 (Dates of Delivery), 11620 (Computation of Interest), 11810 (Buy-In Procedures and Requirements), and 11860 (COD Orders), to conform to the Commission's proposed amendment to Rule 15c6-1(a) under the Act that would shorten the standard settlement cycle for most broker-dealer transactions from T+3 to T+2.

FINRA Rule 2341(m) requires members, including underwriters, that engage in direct retail transactions for investment company shares to transmit payments received from customers for the purchase of investment company shares to the payee by the end of the third business day after receipt of a customer's order to purchase the shares, or by the end of one business day after receipt of a customer's payment for the shares, whichever is later. FINRA is proposing to amend Rule 2341(m) to change the three-business day transmittal requirement to two business days, while retaining the one-business day alternative.

FINRA Rule 11140(b)(1) concerns the determination of normal ex-dividend and ex-warrants dates for certain types of dividends and distributions. Currently, with respect to cash dividends or distributions, or stock dividends, and the issuance or distribution of warrants, which are less than 25% of the value of the subject security, if the definitive information is received sufficiently in advance of the record date, the date designated as the "ex-dividend date" is the second business day preceding the record date if the record date falls on a business day, or the third business day preceding the record date if the record date falls on a day designated by FINRA's UPC Committee as a non-delivery day. Under the proposal, the "ex-dividend date" would be the first business day preceding the record date if the record

date falls on a business day, or the second business day preceding the record date if the record date falls on a day designated by FINRA's UPC Committee as a non-delivery date.

FINRA Rule 11150(a) concerns the determination of normal ex-interest dates for certain types of transactions. Currently, all transactions, except "cash" transactions, in bonds or similar evidences of indebtedness which are traded "flat" are "ex-interest" on the second business day preceding the record date if the record date falls on a business day, on the third business day preceding the record date if the record date falls on a day other than a business day, and on the third business day preceding the date on which an interest payment is to be made if no record date has been fixed. Under the proposal, these transactions would be "ex-interest" on the first business day preceding the record date if the record date falls on a business day, on the second business day preceding the record date if the record date falls on a day other than a business day, and on the second business day preceding the date on which an interest payment is to be made if no record date has been fixed.

FINRA Rules 11210(c) and (d) set forth "DK" procedures using "Don't Know Notices" and other forms of notices, respectively.⁶ FINRA Rule 11210(c) currently provides that, when a party to a transaction sends a comparison or confirmation of a trade, but does not receive a comparison or confirmation or a signed DK from the contra-member by the close of four business days following the trade date of the transaction, the party may use the procedures set forth in the rule. FINRA proposes to shorten the "four business days" time period to one business day. FINRA Rule 11210(c)(2)(A) currently provides that a contra-member has four business days after the "Don't Know Notice" is received to either confirm or DK the transaction in accordance with FINRA Rule 11210(c)(2)(B) or (C). FINRA proposes to shorten the "four business days" time period to two business days.⁷ FINRA Rule 11210(c)(3) currently provides that if the confirming member does not receive a response from the contra-member by the close of four business days after receipt by the confirming member the fourth copy of
