Title: Electronic Visa Update System.
OMB Number: 1651–0139.
Form Number: N/A.

Abstract: The Electronic Visa Update System (EVUS) provides a mechanism through which visa information updates can be obtained from certain nonimmigrant aliens in advance of their travel to the United States. This provides CBP access to updated information without requiring aliens to apply for a visa more frequently. The EVUS requirements apply to nonimmigrant aliens who hold a passport issued by an identified country containing a U.S. nonimmigrant visa of a designated category. EVUS enrollment is currently limited to nonimmigrant aliens who hold unrestricted, maximum validity B–1 (business visitor), B–2 (visitor for pleasure), or combination B–1/B–2 visas, which are generally valid for 10 years, contained in a passport issued by the People’s Republic of China.

EVUS provides for greater efficiencies in the screening of international travelers by allowing DHS to identify nonimmigrant aliens who may be inadmissible before they depart for the United States, thereby increasing security and reducing traveler delays upon arrival at U.S. ports of entry. EVUS aids DHS in facilitating legitimate travel while also enhancing public safety and national security.

Proposed Changes
DHS proposes to add the following optional question to EVUS: “Please enter information associated with your online presence—Provider/Platform—Social media identifier.” A social media identifier is any name, or “handle,” used by the individual on one or more platforms. The optional social media question on the EVUS enrollment will include a drop down menu of options for selection. This data will be used for vetting purposes, as needed, providing highly trained CBP officers with timely visibility into publicly available information on the platforms associated with the social media identifier(s) voluntarily provided by the applicant, along with other information and tools CBP officers regularly use in the performance of their duties. The officer will review said platforms in a manner consistent with CBP’s privacy settings the applicant has chosen to adopt for those platforms. It will also help distinguish between individuals with similar characteristics, such as similar names, and provide an additional means to contact an applicant if needed.

Respondents who choose not to answer this question can still submit an EVUS enrollment without a negative interpretation or inference. The question will be clearly marked as optional.

Current Actions: This submission is being made to extend the expiration date with a change to the information collected as a result of adding an optional question about social media to EVUS. There are no changes to the burden hours.

Type of Review: Revision.
Affected Public: Individuals.
Estimated Number of Respondents: 3,595,904.
Estimated Number of Responses per Respondent: 1.
Estimated Total Annual Responses: 3,595,904.
Estimated Time per Response: 25 minutes.
Estimated Total Annual Burden Hours: 1,499,492.

Branch Chief, Economic Impact Analysis Branch, U.S. Customs and Border Protection.

DEPARTMENT OF JUSTICE
Drug Enforcement Administration
[Docket No. 16–34]

Frank D. Li, M.D.; Decision and Order

On August 22, 2016, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause to Frank D. Li, M.D. (hereinafter, Respondent), of Tukwila, Washington and Beverly Hills, California. The Show Cause Order proposed the revocation of four separate Certificates of Registration held by Respondent (three of which are for locations in California, one of which is for a location in Washington State and one which is for a location in California), pursuant to which he is authorized to dispense controlled substances in schedules II through V, as a practitioner, on the ground that he does hold authority to dispense controlled substances in these States. Id. at 1 (citing 21 U.S.C. 823(f) and 824(a)(3)).

With respect to the Agency’s jurisdiction, the Show Cause Order alleged that Respondent holds three registrations in Washington State: (1) No. FL0680947, for the location of 1536 N 115th St., Suite 310, Seattle, which does not expire until March 31, 2017; (2) No. FL1668235, for the location of 801 SW 16th St., Suite 121, Renton, which does not expire until March 31, 2018; and (3) No. FL2601335, for the location of 3624 Colby Ave., Suite B, Everett, which does not expire until March 31, 2017. Show Cause Order, at 2. The Show Cause Order also alleged that Respondent holds registration No. BL7067261, for the location of 8641 Wilshire Blvd., Suite 200, Beverly Hills, California, and that this registration does not expire until March 31, 2019.

As for the substantive basis of the proposed action, the Show Cause Order alleged that the State of Washington, Department of Health, issued an ex parte order, which suspended Respondent’s authority to practice medicine and surgery in that State effective on July 14, 2016. Id. at 2. The Show Cause Order also alleged that the Medical Board of California issued an order which suspended his authority to practice medicine in that State effective on August 5, 2016. Id. The Show Cause Order thus alleged that Respondent is currently without authority to handle controlled substances in Washington and California, the States in which he is registered with the Agency, and subjecting his DEA registrations to revocation.1 Id. at 2 (citing 21 U.S.C. 802(21), 823(f), and 824(a)(3)).

On September 20, 2016, Respondent, through his counsel, requested a hearing on the allegations. Resp. Hrng. Req. The matter was then placed on the docket of the Office of Administrative Law Judges, and assigned to ALJ Charles Wm. Dorman. On September 21, 2016, the ALJ issued an order directing the Government to submit evidence supporting the allegation and an accompanying dispositive motion by October 5, 2016. Briefing Schedule For Lack Of State Authority Allegations, at 1. The ALJ also ordered that if the Government filed such a motion, Respondent was to file his reply by October 12, 2016. Id.

On September 22, 2016, the Government filed its Motion for Summary Disposition. See Gov. Mot. for Summ. Disp. As support for its Motion, the Government provided a copy of Respondent’s registration information.

1 The Show Cause Order also notified Respondent of his right to request a hearing on the allegations or to submit a written statement while waiving his right to a hearing, and the procedure for electing either option. Show Cause Order, at 2–4 (citing 21 CFR 1301.43). It also notified Respondent of his right to submit a corrective action plan. See 21 U.S.C. 824(c)(2)(C).
