Foreign-Trade Zone (FTZ) 29— Louisville, Kentucky; Notification of Proposed Production Activity; Hitachi Automotive Systems Americas, Inc. (Automotive Fuel Injection Assemblies); Harrodsburg, Kentucky

The Louisville and Jefferson County Riverport Authority, grantee of FTZ 29, submitted a notification of proposed production activity to the FTZ Board on behalf of Hitachi Automotive Systems Americas, Inc. (Hitachi), located in Harrodsburg, Kentucky. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on February 6, 2017.

Hitachi already has authority to produce automotive components within Subzone 29F of FTZ 29. The current request would add an additional finished product to the scope of authority. Production under FTZ procedures could exempt Hitachi from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, Hitachi would be able to choose the duty rates during customs entry procedures that apply to fuel rail assemblies (duty rate 2.5%) for the foreign-status materials/components in the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 3, 2017.

continue to find that sales of subject merchandise by CJI were not made at prices less than normal value during the POR. The final weighted-average dumping margin is listed below in the section entitled "Final Results of Review."

DATES: Effective February 22, 2017.

FOR FURTHER INFORMATION CONTACT: David Lindgren or Joseph Traw, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3870 or (202) 482-6079, respectively.

SUPPLEMENTARY INFORMATION:

Background

This review covers one exporter of the subject merchandise, CJI. On November 25, 2016, the Department published the *Preliminary Results* of this administrative review.¹ Subsequent to the *Preliminary Results*, the Department issued a supplemental questionnaire to CJI, the response to which was filed on December 21, 2016.² On January 12, 2017, we invited parties to submit comments on the *Preliminary Results*, but no case briefs were submitted to the Department.³ Further, no party submitted a request for a hearing in the instant review. The Department conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise covered by this order is monosodium glutamate (MSG), whether or not blended or in solution with other products. Specifically, MSG that has been blended or is in solution with other product(s) is included in this order when the resulting mix contains 15 percent or more of MSG by dry weight. Products with which MSG may be blended include, but are not limited to, salts, sugars, starches, maltodextrins, and various seasonings. Further, MSG is included in this order regardless of physical form (including, but not limited to, in monohydrate or anhydrous form, or as substrates, solutions, dry powders of any particle

size, or unfinished forms such as MSG slurry), end-use application, or packaging.

MSG in monohydrate form has a molecular formula of C₅H₈NO₄Na·H₂O, a Chemical Abstract Service (CAS) registry number of 6106-04-3, and a Unique Ingredient Identifier (UNII) number of W81N5U6R6U. MSG in anhydrous form has a molecular formula of C₅H₈NO₄ Na, a CAS registry number of 142-47-2, and a UNII number of C3C196L9FG.

Merchandise covered by this order is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) at subheading 2922.42.10.00. Merchandise covered by this order may also enter under HTSUS subheadings 2922.42.50.00, 2103.90.72.00, 2103.90.74.00, 2103.90.78.00, 2103.90.80.00, and 2103.90.90.91. These tariff classifications, CAS registry numbers, and UNII numbers are provided for convenience and customs purposes; however, the written description of the scope is dispositive.

Analysis of Comments Received

As noted above, we received no comments since the publication of the *Preliminary Results*.

Changes Since the Preliminary Results

As no parties submitted any comments on the Department's methodology in the *Preliminary Results*, the Department has made no adjustments to the margin calculation methodology for CJI.⁴

Final Results of Review

The Department determines that the following weighted-average dumping margin exists for entries of subject merchandise that were produced and/or exported by the following company during the POR:

Manufacturer/ exporter	Weighted- average margin (percent)

Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the

final results of this review, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b). CJI's weighted-average dumping margin in these final results is zero percent. Therefore, we will instruct CBP to liquidate all appropriate entries without regard to antidumping duties. The Department intends to issue the appropriate assessment instructions for CJI to CBP 15 days after the date of publication of these final results.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for CJI will be the weighted-average dumping margin listed above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and, (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review, the cash deposit rate will be the all others rate for this proceeding, 6.19 percent, as established in the less-than-fair-value investigation.⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).
