ED is soliciting comments on the proposed information collection request (ICR) that is described below. Type of Review: A revision of an existing information collection.

Total Estimated Number of Annual Burden Hours: 282,713.

Abstract: These data will allow the Department to calculate the borrowers maximum eligibility period, subsidized usage period, and remaining eligibility period as described in 685.200(f)(1)(ii)–(f)(1)(iv), determine whether the borrower is eligible to receive an additional Direct Subsidized Loan, and ensure that borrowers do not receive Direct Subsidized Loans if they are no longer eligible to receive a Direct Subsidized Loan under 685.200(f)(2). The Department will determine whether the borrower is responsible for accruing interest on their previously received Direct Subsidized Loans. To ensure that the Department has the information to necessary to make that determination, institutions will be required to report additional information to NSLDS. For example, institutions will be required to report: The CIP code and the credential level for the program in which a borrower is enrolled; the length of the program in academic years, weeks, or months (consistent with current institutional reporting in the COD System); and a more detailed enrollment status of the borrower (*e.g.*, full-time, three-quarter-time, half-time, or less-than-half-time). These data will allow the Department to determine whether a borrower who is not eligible for additional Direct Subsidized Loans is responsible for accruing interest on his or her previously received Direct Subsidized Loans. The regulations implement a new statutory requirement that significantly limits a borrowers eligibility for Direct Subsidized Loans and potentially results in the borrower becoming responsible for accruing interest on existing Direct Subsidized Loans. Under section 485(l) of the HEA, which requires that borrowers be provided with entrance and exit counseling on the provisions governing federal student aid, institutions will be required to revise the entrance and exit counseling provided to borrowers. For entrance counseling, the added counseling requirements under 685.304 will require institutions to explain the new provisions to borrowers.
