While

the HTSUS subheadings are provided for convenience and customs purposes, the written description is dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.¹

Preliminary Determination of No Reviewable Entries

We received timely filed submissions from Daewoo International Corp., GS Global Corp., Hyosung Corporation, Hyundai Glovis Co., Ltd., Hyundai Mipo Dockyard Co., Ltd., Samsung C&T Corporation, Samsung Heavy Industries, and SK Networks Co., Ltd., reporting to the Department that each had no exports, sales, or entries of subject merchandise to the United States during the POR.² Based on record evidence, we preliminarily determine that these companies had no reviewable entries during the POR. For additional information on our preliminary determination of no reviewable entries, see the Preliminary Decision Memorandum.

Methodology

The Department is conducting this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available to the public *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Department's Central

Records Unit, located at room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be found at <http://enforcement.trade.gov/frn/index.html>.

Preliminary Results of the Administrative Review

We preliminarily determine that the following weighted-average dumping margins exist for the respondents for the period February 1, 2015, through January 31, 2016.

Producer/exporter	Weighted-average dumping margin (percent)
BDP International	2.01
Bookuk Steel Co., Ltd	2.01
Dongkuk Steel Mill Co., Ltd	1.71
Hyundai Steel Company	2.05
Samsung C&T Engineering & Construction Group	2.01
Samsung C&T Trading and Investment Group	2.01
Sung Jin Steel Co., Ltd	2.01

Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results to the parties within five days after public announcement of the preliminary results in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.³ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically *via* ACCESS. The Department will issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

If a respondent's weighted-average dumping margin is above *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of antidumping duties calculated for the importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).⁶ If the respondent's weighted-average dumping margin is zero or *de minimis* in the final results of reviews, we will instruct U.S. Customs and Border Protection (CBP) not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*.⁷

For entries of subject merchandise during the POR produced by Dongkuk Steel Mill Co., Ltd. or Hyundai Steel Company for which they did not know their merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

For the companies which were not selected for individual examination, BDP International, Bookuk Steel Co., Ltd., Samsung C&T Engineering & Construction Group, Samsung C&T Trading and Investment Group, and Sung Jin Steel Co., Ltd., we will instruct CBP to apply the rates listed above to all entries of subject merchandise produced and/or exported by these firms.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of this review for all shipments of CTL plate from Korea entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section

⁶In these preliminary results, the Department applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

The Department is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(4).

Dated: February 27, 2017.

SUPPLEMENTARY INFORMATION:

Background

On October 14, 2016, the Department published its preliminary affirmative determination of sales at LTFV in the investigation of phosphor copper from
