B. Submitting Comments

Please include Docket ID NRC–2016–0205 in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC posts all comment submissions at <http://www.regulations.gov>

as well as entering the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection*: Design Information Questionnaire—IAEA N–71 and Associated Forms N–72, N–73, N–74, N–75, N–76, N–77, N–91, N–92, N–93, and N–94.

2. *OMB approval number*: 3150–0056.

3. *Type of submission*: Extension.

4. *The form number, if applicable*: IAEA Form N–71 (and the appropriate associated IAEA Form) or Form N–91, to provide information concerning their installation for use by the IAEA.

5. *How often the collection is required or requested*: It is estimated that this collection is required approximately 1 time per year.

6. *Who will be required or asked to respond*: Licensees of facilities on the U.S. eligible list who have been notified in writing by the NRC to submit the form.

7. *The estimated number of annual responses*: 2.

8. *The estimated number of annual respondents*: 2.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request*: 360 reporting hours.

10. *Abstract*: In order for the US to fulfill its responsibilities as a participant in the US/International Atomic Energy Agency (IAEA) Safeguards Agreement, the NRC must collect information from licensees about their installations and provide it to the IAEA. Licensees of facilities that appear on the US eligible list and have been notified in writing by the NRC are required to complete and submit a Design Information Questionnaire, IAEA Form N–71 (and the appropriate associated IAEA Form) or Form N–91, to provide information concerning their installation for use by the IAEA.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the estimate of the burden of the information collection accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 27th day of February, 2017.

For the Nuclear Regulatory Commission.

David Cullison,

NRC Clearance Officer, Office of the Chief Information Officer.
