Each submitter will receive a submission tracking number upon completion of the submissions procedure at http://www.regulations.gov. The tracking number, which you should keep, is your confirmation that the submission was received into http://www.regulations.gov. USTR is not responsible for any delays in a submission due to technical difficulties, nor is it able to provide any technical assistance for the http://www.regulations.gov Web site.

Documents not submitted in accordance with these instructions may not be considered in this review. If an interested party is unable to provide submissions as requested, please contact the GSP program at USTR to arrange for an alternative method of transmission. Business Confidential Petitions. An interested party requesting that information contained in a submission be treated as business confidential information must certify that the information is business confidential and would not customarily be released to the public by the submitter. You must clearly designate confidential business information by marking the submission “BUSINESS CONFIDENTIAL” at the top and bottom of the cover page and on each succeeding page, and indicating via brackets, the specific information that is confidential. Additionally, “Business Confidential” must be included in the “Type Comment” field. For any submission containing business confidential information, you separately must submit a non-confidential version (i.e., not as part of the same submission with the confidential version), indicating where confidential information has been redacted. We will place the non-confidential version in the docket and it will be open to public inspection.
