(f) Inter-agency or intra-agency memoranda or letters that would not be available by law to a party other than an agency in litigation with the agency. This exemption shall not apply to records created 25 years or more before the date on which the records were requested.

§ 3004.12 Reading room.

(c) The Commission shall make available, in an electronic and physical reading room, records previously released under FOIA and which the Commission determines are or are likely to become of significant public interest, including agency records that have been requested three or more times.

§ 3004.13 Notice and publication of public information.

(a) Decisions, advisory opinions, orders, public reports, and agency records that have been requested three or more times will be made available to the public by posting on the Commission’s Web site at http://www.prc.gov.

§ 3004.43 Response to requests.

(a) Within 20 days (excluding Saturdays, Sundays, and legal holidays) after receipt of a request for a Commission record, the Secretary or Assistant Secretary will notify the requester of its determination to grant or deny the request and the right to seek assistance from the Commission’s FOIA Public Liaison. In the case of an adverse determination, the Commission will notify the requester of their right to appeal and right to seek dispute resolution services from the Commission’s FOIA Public Liaison or the Office of Government Information Services.

§ 3004.44 Appeals.

(b) A requester who seeks to appeal any adverse determination must file an appeal with the Commission within 1 year of the date of the Commission’s response.

§ 3004.45 Extension of response time limit.

(a) The Commission may extend the time limit for a response to a request or appeal for up to 10 business days due to unusual circumstances, as specified in 5 U.S.C. 552(a)(6)(B)(iii). In such a case, the Commission will notify the requester in writing of the unusual circumstance causing the extension and the date by which the Commission estimates that the request can be processed.

(b) If an extension will exceed 10 business days, the Commission will:

(1) Provide the requester with an opportunity to limit the scope of the request or to arrange an alternative timeframe for processing the request or a modified request. The applicable time limits are not tolled while the Commission waits for a response from the requester under this subsection; and

(2) Make its FOIA Public Liaison available to the requester and apprise the requester of their right to seek dispute resolution services from the Office of Government Information Services.

§ 3004.52 Fees—general provisions.

(e) No requester will be charged a fee after any search or response which occurs after the applicable time limits as described in §§ 3004.43 and 3004.44, unless:

(1) The Commission extends the time limit for its response due to unusual circumstances, pursuant to § 3004.45(a), and the Commission completes its response within the extension of time provided under that section; or

(2) The Commission extends the time limit for its response due to unusual circumstances and more than 5,000 pages are necessary to respond to the request and the Commission has discussed with the requester how they could effectively limit the scope of the request or made at least three good faith attempts to do so; or

(3) A court has determined that exceptional circumstances exist and excused the Commission from responding by court order.

(f) The Commission may, however, charge fees for review, and in some cases duplication, for a partial grant of a request while it reviews records that may be exempt and may be responsive to the request, so long as the partial grant is made within the applicable time limits.
Register on January 24, 2017 (82 FR 8346) instructed federal agencies to delay the effective date of rules published in the Federal Register, but which have not yet taken effect, for a period of 60 days from the date of the memorandum. The final rule sets forth the calculation of the 340B ceiling price and application of civil monetary penalties (CMPs). The effective date of that rule, which would have been March 6, 2017, is now March 21, 2017. The temporary delay in the effective date of this final rule is necessary to give Department officials the opportunity for further review and consideration of new regulations, consistent with the Assistant to the President and Chief of Staff’s memorandum.

James Macrae,
Acting Administrator, Health Resources and Services Administration.

Approved: March 1, 2017.

SUPPLEMENTARY INFORMATION:

I. Background

In FR Doc. 2016–31650 (82 FR 37 through 40), the correcting amendment entitled, “Medicaid and Children’s Health Insurance Program (CHIP) Programs; Medicaid Managed Care, CHIP Delivered in Managed Care, and Revisions Related to Third Party Liability: Corrections” there were technical errors that are identified and corrected in this correcting document. These corrections are applicable beginning immediately.

II. Summary of Errors in Regulation Text

On page 39, we made technical errors in the amending instructions amending the regulation text of § 438.358(l)(3) and (4). Therefore, the Office of the Federal Register was not able to properly correct the regulations text as intended.

III. Waiver of Proposed Rulemaking and Delay in Effective Date

Under 5 U.S.C. 553(b) of the Administrative Procedure Act (APA), the agency is required to publish a notice of the proposed rule in the Federal Register before the provisions of a rule take effect. In addition, section 553(d) of the APA mandates a 30-day delay in effective date after issuance or publication of a rule. Sections 553(b)(l) and 553(d)(3) of the APA provide for exceptions from the APA requirement for notice and comment, and delay in effective date requirements. Section 553(b)(l) of the APA authorizes an agency to dispense with normal notice and comment rulemaking procedures for good cause if the agency makes a finding that the notice and comment process is impracticable, unnecessary, or contrary to the public interest; and includes a statement of the finding and the reasons for it in the notice.

In our view, this correcting document does not constitute a rulemaking that would be subject to these requirements. This document merely corrects technical errors in the Medicaid and Children’s Health Insurance Program (CHIP) Programs; Medicaid Managed Care, CHIP Delivered in Managed Care, and Revisions Related to Third Party Liability; Corrections.

In FR Doc. 2016–31650, published on January 3, 2017 (82 FR 37), make the following correction:

On page 39, in the third column, remove amendatory instructions 8 and 9 and their amendments to § 438.358.

Accordingly, 42 CFR chapter IV is corrected by making the following correcting amendments to part 438:
