FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 1

[GN Docket No. 15–236; FCC 16–128]

Review of Foreign Ownership Policies for Broadcast, Common Carrier and Aeronautical Radio Licensees

AGENCY: Federal Communications Commission.

ACTION: Final rule; technical amendment.

SUMMARY: The Federal Communications Commission (Commission) published a document revising Commission rules applicable to foreign ownership of broadcast, common carrier, aeronautical en route and aeronautical fixed radio station licensees. Due to an error in the effective date language, the Commission’s rules were prematurely removed from the CFR. This technical amendment restores these rules to the CFR.

DATES: This technical amendment is effective March 6, 2017.

FOR FURTHER INFORMATION CONTACT: Kimberly Cook or Francis Gutierrez, Telecommunications and Analysis Division, International Bureau, FCC, (202) 418–1460 or via email to Kimberly.Cook@fcc.gov, Francis.Gutierrez@fcc.gov.

SUPPLEMENTARY INFORMATION: The Federal Communications Commission (Commission) published a document in the Federal Register on December 1, 2016 (81 FR 86586) revising Commission rules applicable to foreign ownership of broadcast, common carrier, aeronautical en route and aeronautical fixed radio station licensees. Due to an inadvertent Commission error in the effective date language in the preamble of the document, the Commission’s rules applicable to foreign ownership of

Common carrier, aeronautical en route and aeronautical fixed radio station licensees (47 CFR 1.990–1.994) were prematurely removed from the CFR effective January 30, 2017. This technical amendment restores these rules to the CFR. Upon approval of information collection requirements by the Office of Management and Budget (OMB), the Commission will publish a separate document in the Federal Register to remove 47 CFR 1.990 through 1.994 and announce the effective date of amendments to 47 CFR 1.5000 through 1.5004, 25.105, 73.1010 and 74.5.

List of Subjects in 47 CFR Part 1

Communications common carriers, Radio, Reporting and recordkeeping requirements, Satellites, Telecommunications.

Federal Communications Commission.

Marlene H. Dortch,
Secretary.

For the reasons discussed in the preamble, the Federal Communications Commission amends 47 CFR part 1 as follows:

PART 1—PRACTICE AND PROCEDURE

1. The authority citation for part 1 continues to read as follows:

§§ 1.990 through 1.994 [Added]

2. In subpart F, add an undesignated center heading and §§ 1.990 through 1.994 to read as follows:

Foreign Ownership of Common Carrier, Aeronautical en Route, and Aeronautical Fixed Radio Station Licensees

§ 1.990 Citizenship and filing requirements under the Communications Act of 1934.

These rules establish the requirements and conditions for obtaining the Commission’s prior approval of foreign ownership in common carrier, aeronautical en route, and aeronautical fixed radio station licensees and common carrier spectrum lessees that would exceed the 25 percent benchmark in section 310(b)(4) of the Communications Act of 1934, as amended (47 U.S.C. 310(b)(4)). These rules also establish the requirements and conditions for obtaining the Commission’s prior approval of foreign ownership in common carrier (but not aeronautical en route or aeronautical fixed) radio station licensees and spectrum lessees that would exceed the 20 percent limit in section 310(b)(3) of the Act (47 U.S.C. 310(b)(3)).

(a)(1) A common carrier, aeronautical en route or aeronautical fixed radio station licensee or common carrier spectrum lessee shall file a petition for declaratory ruling to obtain Commission approval under section 310(b)(4) of the Act, and obtain such approval, before the aggregate foreign ownership of any controlling, U.S.-organized parent company exceeds, directly and/or indirectly, 25 percent of the U.S. parent’s equity interests and/or 25 percent of its voting interests. An applicant for a common carrier, aeronautical en route or aeronautical fixed radio station license or common carrier spectrum leasing arrangement shall file the petition for declaratory ruling required by this paragraph at the same time that it files its application.

Note to paragraph (a)(1): Paragraph (a)(1) of this section implements the Commission’s foreign ownership policies under section 310(b)(4) of the Act (47 U.S.C. 310(b)(4)), for common carrier, aeronautical en route, and aeronautical fixed radio station licensees and common carrier spectrum lessees. It applies to foreign equity and/or voting interests that are held, or would be held, directly and/or indirectly in a U.S.-organized entity that itself directly or indirectly controls a common carrier, aeronautical en route, or aeronautical fixed radio station licensee or common carrier spectrum lessee. A foreign individual or entity that seeks to hold a controlling interest in such a licensee or spectrum lessee must hold its controlling interest indirectly, in a U.S.-organized entity that itself directly or indirectly controls the
