Final Results of Review
Pursuant to sections 751(c) and 752(c)(1) and (3) of the Act, we determine that revocation of the antidumping duty order on cement and clinker from Japan would be likely to lead to continuation or recurrence of dumping at weighted-average dumping margins up to 69.89 percent.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) preliminarily determines that countervailable subsidies are being provided to producers and exporters of crystalline silicon photovoltaic products (solar products), from the People’s Republic of China (PRC). The period of review (POR) is June 10, 2014, through December 31, 2015. Interested parties are invited to comment on these preliminary results.

DATES: Effective March 6, 2017.

SUPPLEMENTARY INFORMATION:

Background
On February 18, 2015, the Department issued a countervailing duty (CVD) order on solar products from the PRC.1 Several interested parties requested that the Department conduct an administrative review of the countervailing duty order, and on April 7, 2016, the Department published in the Federal Register a notice of initiation of an administrative review of the CVD Order for 31 producers/exporters for the POR.2

Scope of the Order
The products covered by the order are certain crystalline silicon photovoltaic products from the PRC. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.3

Methodology
The Department is conducting this CVD review in accordance with section 751(b)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, i.e., a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.4 For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.5 The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Intent To Partially Rescind the Administrative Review, and Partial Rescission of Administrative Review
For an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate.6

Thus, it is the Department’s practice to rescind an administrative review when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.7 We preliminarily find that BYD (Shangluo) Industrial Co., Ltd. had no reviewable entries subject to the CVD Order and, consistent with our practice, the Department intends to rescind its review of BYD, consistent with 19 CFR 351.213(d)(3). We invite parties to comment on this preliminary intent to rescind and will consider any comments received for the final results.

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Yingli Energy

Preliminary Rate for the Non-Selected Companies Under Review

The statute and the Department's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where the Department limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, the Department normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs the Department as a general rule to calculate an all others rate using the weighted average of the subsidy rates established for the producers/exporters individually examined, excluding any zero, de minimis, or rates based entirely on facts available. In this review, the preliminary subsidy rate calculated for Changzhou Trina Solar Energy Co., Ltd. and its cross-owned affiliates (Trina Solar) is above de minimis and is not based entirely on facts available. Therefore, for the companies for which a review was requested that were not selected as mandatory company respondents, and for which we did not receive a timely request for withdrawal of review, and for which we are not finding to be cross-owned with the mandatory company respondents, we are preliminarily basing the subsidy rate on the subsidy rate calculated for Trina Solar. For a list of these non-selected companies, please see the Appendix II to this notice.

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with this preliminary determination within five days of publication of this notice in the Federal Register. Interested parties may submit case and rebuttal briefs, as well as request a hearing. Interested parties may submit written comments (case briefs) within 30 days of publication of the preliminary results and rebuttal comments (rebuttal briefs) within five days after the time limit for filing case briefs. Rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit case or rebuttal briefs are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Interested parties who wish to request a hearing must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance’s ACCESS system. Requests should contain the party’s name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing. Issues addressed at the hearing will be limited to those raised in the briefs. All briefs and hearing requests must be filed electronically and received successfully in their entirety through ACCESS by 5:00 p.m. Eastern Time on the due date.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, we intend to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after issuance of these preliminary results.

Assessment Rates and Cash Deposit Requirement

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, CVDs on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of review.

Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated CVDs, in the amounts shown above for the producer/exporters shown above. Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, CVDs on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of review.

Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated CVDs, in the amounts shown above for the producer/exporters shown above. above for each of the respective companies shown above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption or on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most-recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice. These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain preserved mushrooms from the People’s Republic of China (the PRC). The period of review (POR) is February 1, 2015, through January 31, 2016. The Department preliminarily determines that, during the POR, one mandatory respondent, Dezhou Kaihang Agricultural Science Technology Co. Ltd. (Dezhou Kaihang) did not sell subject merchandise below normal value (NV). We also preliminarily determine that the other mandatory respondent, Linyi City Kangfa Foodstuff Drinkable Co., Ltd. (Kangfa) has not demonstrated its eligibility for a separate rate and is, therefore, part of the PRC-wide entity. We preliminarily determine that the following companies had no reviewable shipments during the POR: (1) Zhangzhou Hongda Import & Export Trading Co., Ltd. (Hongda); and (2) Zhangzhou Gangchang Canned Foods Co., Ltd., Fujian and Zhangzhou Gangchang Canned Foods Co., Ltd. (collectively, Gangchang). Finally, we preliminarily find that the remaining 98 companies under review did not demonstrate their eligibility for a separate rate and are part of the PRC-wide entity. Interested parties are invited to comment on these preliminary results.

DATES: Effective March 6, 2017.

Background

On February 19, 1999, the Department published in the Federal Register the antidumping duty order on certain preserved mushrooms from the PRC. On February 3, 2016, the Department published in the Federal Register a notice of initiation of this review, covering 103 separately-named companies. On June 17, 2016, the Department selected Dezhou Kaihang and Kangfa as mandatory respondents and issued antidumping questionnaires to these companies. Dezhou Kaihang timely submitted questionnaire responses, but Kangfa did not respond to the Department’s request for information.

Scope of the Order

The products covered by this order are certain preserved mushrooms. The merchandise subject to this order is classifiable under subheadings: 4003.10.0000 through 4003.10.0147, 4003.10.0153, and 4003.10.0157. They are certain preserved mushrooms classifiable under subsections 2003.10.0147, 2003.10.0153, and 2003.10.0157 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Preliminary Determination of No Shipments

Two companies that received a separate rate in previous segments of the proceeding and are subject to this review, Hongda and Gangchang, certified that they did not have any exports of subject merchandise during the POR. We requested that U.S. Customs and Border Protection (CBP) enforce these results.

1 See Notice of Amendment of Final Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review, 74 FR 8308 (February 19, 1999) (the Order).
2 See Certain Preserved Mushrooms from the People’s Republic of China: Final Results of Antidumping Duty New Shipper Reviews 74 FR 28882 (June 18, 2009). Nonetheless, in a subsequent administrative review, we identified the company as “Zhangzhou Gangchang Canned Foods Co., Ltd.” See Certain Preserved Mushrooms from the People’s Republic of China: Final Results of Administrative Review, 80 FR 32355 (June 8, 2015). In light of this interchangeable treatment, to avoid any confusion, we are including both name variations in our preliminary finding of no shipments.
