DEPARTMENT OF THE INTERIOR

Bureau of Ocean Energy Management

[Docket No. BOEM–2017–0006]

Supplemental Environmental Impact Statement for the Cape Wind Energy Project MMAA104000

AGENCY: Bureau of Ocean Energy Management, Interior.

ACTION: Notice of Intent to prepare a Supplemental Environmental Impact Statement.

SUMMARY: The Bureau of Ocean Energy Management (BOEM) is giving notice of its intent to prepare a Supplemental Environmental Impact Statement (EIS) for the Cape Wind Energy Project on Horseshoe Shoal in Nantucket Sound off the coast of Massachusetts. This supplement to the 2009 Final EIS will provide new analysis in response to a 2016 remand order of the U.S. Court of Appeals for the District of Columbia Circuit in *Public Employees for Environmental Responsibility v. Hopper*, No. 14–5301 (D.C. Cir.).

FOR FURTHER INFORMATION CONTACT: Michelle Morin, BOEM Office of Renewable Energy Programs, 45600 Woodland Road, VAM–OREP, Sterling, Virginia 20166, (703) 787–1722, or michelle.morin@boem.gov.

SUPPLEMENTARY INFORMATION:

1. Proposed Action and Alternative

On July 5, 2016, the U.S. Court of Appeals for the District of Columbia Circuit vacated the 2009 Cape Wind Energy Project Final EIS and ordered that BOEM “supplement [the EIS] with adequate geological surveys before Cape Wind may begin construction.” *Public Employees for Environmental Responsibility v. Hopper*, 827 F.3d 1077, 1084 (D.C. Cir. 2016). The Court opined that “[w]ithout adequate geological surveys, the [BOEM] cannot “ensure that the seafloor [will be] able to support wind turbines.” *Id.* at 1083. While the Court found that “[BOEM] therefore had violated NEPA,” the Court noted, however, that “[it] does not necessarily mean that the project must be halted or that Cape Wind must redo the regulatory approval process.” *Id.* at 1083–4. The Court explicitly left undisturbed BOEM’s 2010 decision to issue the lease and BOEM’s 2011 decision to approve the Construction and Operations Plan (COP). *Id.* at 1084. Therefore, the only alternatives considered in the 2009 Final EIS that are still applicable and that will be analyzed in detail in the Supplemental EIS are: (1) Rescinding the decision to issue the lease to Cape Wind Associates,
