Comments: Comments are invited on:
(1) Whether the proposed collection of
the information is necessary for the
proper performance of the functions of
the agency, including whether the
information will have practical utility;
(2) the accuracy of the agency’s estimate
of the burden of the proposed collection
of information, including the validity of
the methodology and assumptions used;
(3) ways to enhance the quality, utility,
and clarity of the information to be
collected; and (4) ways to minimize the
burden of the collection of information
on those who are to respond, including
through the use of appropriate
automated, electronic, mechanical, or
other technological collection
techniques or other forms of information
technology.
All responses to this notice will be
summarized and included in the request
for OMB approval. All comments will
also become a matter of public record.

SUPPLEMENTARY INFORMATION:
Title: National 4–H Conference
applications and forms.
OMB Number: 0524–new.
Type of Request: Intent to request
approval to establish a new information
collection and record keeping
requirement for three years.
Abstract: In 1927, USDA began
sponsoring the “National 4–H Club
Camp’. The camp was held on the
grounds of the National Mall in front of
the USDA in Washington, DC and
served to develop the next generation of
leaders. Delegates attended training
workshops, became acquainted with
government and had the opportunity to
meet with state leaders.
In 1958, the event name was changed
to National 4–H Conference and, in
1959, the meeting moved from the
National Mall to the newly founded
National 4–H Center in Chevy Chase,
MD, where it is still held today.
Currently, the annual National 4–H
Conference brings youth delegates
together to accomplish three goals:
(1) Learn—Provide youth a
broad-based learning experience in which they
will acquire practical knowledge and
skills to reinforce the attitudes and
motivation that will give them a
heightened sense of responsibility and
capacity to connect as active members
of their communities, nation and world.
(2) Practice—Engage youth in hands-
on educational activities in which they
explore, practice and master existing
and newly developed skills/knowledge
in civic engagement, civic education
and personal development.
(3) Apply—Facilitate direct
opportunities for youth to apply what
was learned in real world experiences in
which they develop leadership skills
using their voices, work, ideas and/or
behavior to make a difference in their
community, country and world.
The National 4–H Conference
organizers propose an information
collection and record keeping
requirement for adult and youth
conference leadership team applicants,
program evaluation of conference
participants, and health forms for youth
delegates. The records to be maintained
and the information collected will allow
for better oversight and assessment of
the program. Each new requirement is
described in detail below.
(1) Youth Leadership Team Application
Need and Use of the Records:
Approximately six former National 4–H
Conference delegates who are still in
high school and 18 years of age or under
at the time of the National 4–H
Conference are selected to be Youth
Leadership Team members prior to and
during National 4–H Conference. These
Youth Leadership Team members plan
and facilitate major components of the
conference. The members must be
skilled and prepared. An application for
this volunteer position is required to
assure the selection of qualified
applicants. Up to two Youth Leadership
Team adult advisors will also be chosen.
Components of the Record:
The Youth Leadership Team application
form includes: First and last name, grade in
school, age, city and state, email, cell
phone, home phone, 4–H Land Grant
University associated with, years in 4–
H, year attended National 4–H
Conference, and other national 4–H
teams served on. The form will have
relevant questions to explain applicant
qualifications and skills for the position.
Method of Collection: The application
forms will be collected via email
attachment.
Frequency of Response: This is a
voluntary application process.
Affected Public: High schools
students who are former National 4–H
Conference delegates and interested
Cooperative Extension State 4–H Office
personnel.
Type of Respondents: High schools
students who are former National 4–H
Conference delegates and interested
Cooperative Extension State 4–H Office
personnel.
Estimate of Burden:
(2) Roundtable Facilitator Application

**Need and Use of the Records:** Approximately sixteen college students are selected to be roundtable facilitators prior to and during National 4–H Conference. These facilitators are responsible for leading a group of youth delegates through the development and presentation of a thirty-minute briefing to a federal agency. Facilitators must be skilled and prepared. An application for this volunteer position is required to assure the selection of qualified applicants. There are four levels of roundtable facilitators: (1) Lead facilitator, (2) returning facilitators, (3) new facilitators, and (4) facilitator advisor.

**Components of the Record:** Applications for all four levels of facilitators will include: First and last name, college or university, gender, age, languages spoken, race, home phone, cell phone, email, mailing address, and home state or territory. Each level of facilitator applications will have relevant application questions to explain applicant qualifications and skills for the position.

**Method of Collection:** The application forms will be collected via email attachment.

**Frequency of Response:** The lead and returning facilitator positions are open to any college student age 19–25 whom has served as a National 4–H Conference facilitator in the past. New facilitator positions are open to any college student age 19–25. The facilitator advisor position is open to any Cooperative Extension State 4–H Office personnel. This is a volunteer application process for all levels.

**Affected Public:** Interested college students and State 4–H Office personnel.

**Type of Respondents:** College students and State 4–H Office personnel.

(3) National 4–H Conference Program Evaluations

**Need and Use of the Records:** In order for continuous improvement of program implementation and keeping the conference relevant with current youth and issues, the conference planners will conduct program evaluations with the involved parties. There will be separate evaluation forms for the four audiences: (1) Youth Leadership Team Members, (2) Roundtable Facilitators, (3) Conference Delegates, and (4) Conference Chaperones.

**Components of the Record:** The evaluation forms will include quantitative questions ranking the success of each component of the conference. There will also be open ended questions to address future ideas and program areas to improve upon.

**Method of Collection:** Each member of each audience will receive a link via email to an online survey.

**Frequency of Response:** Each person will respond to one survey request.

(4) National 4–H Conference Youth Delegate Health Form

**Need and Use of the Records:** Youth delegates attend National 4–H Conference in Chevy Chase, MD. The youth delegates are accompanied by adult chaperones from their state. Medical histories are to be completed by the parent of each youth delegate to assist with medical emergencies of their children.

**Components of the Record:** The health form consists of sections on (1) current health conditions, allergies, special needs, tetanus and influenza vaccination, emergency contact information, and parental/guardian consent to medical treatment.

**Method of Collection:** The forms are completed by the parent and delivered in person to the conference by the delegates’ chaperone.

**Frequency of Response:** Each delegate (approximately 270) and the roundtable facilitators (approximately 17) and youth leadership team members (approximately 6) fill out and submit a form.

**Affected Public:** Conference delegates, facilitators, and youth leadership team members.

**Type of Respondents:** Parents of High school students, college students.

**Estimate of Burden:**

(5) Conference Registration Form

Need and Use of the Records:
Approximately 250 4–H youth and 75 adult chaperones attend National 4–H Conference on an annual basis. They need to complete a registration form to attend.

Method of Collection: The delegates and chaperones will complete the registration form electronically and return it via email.

Frequency of Response:
Approximately 250 youth and 75 adult chaperones will complete the registration form.

Affected Public: 4–H youth and adult chaperones who have applied and been selected to attend National 4–H Conference.

Type of Respondents: 4–H members and adult chaperones.

Estimate of Burden:

DEPARTMENT OF COMMERCE
International Trade Administration
[A–570–896]

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On January 6, 2017, the Department of Commerce ("Department") published in the Federal Register the preliminary results of the administrative review of the antidumping duty order on magnesium metal from the People’s Republic of China ("PRC") covering the period April 1, 2015, through March 31, 2016. This review covers two PRC companies, Tianjin Magnesium International, Co., Ltd. ("TMI") and Tianjin Magnesium Metal Co., Ltd. ("TMM"). The Department gave interested parties an opportunity to comment on the Preliminary Results, but we received no comments. Hence, the final results are unchanged from the Preliminary Results, and we continue to find that TMI and TMM did not have reviewable entries during the period of review ("POR").

DATES: Effective March 8, 2017.

FOR FURTHER INFORMATION CONTACT: James Terpstra or Brendan Quinn, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.
