**SUPPLEMENTARY INFORMATION:**

**Comments**

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2008-0068 in the search box. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**Overview of This Information Collection**

(1) *Type of Information Collection:* Extension of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Application for permission to reapply for Admission into the United States After Deportation or Removal.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* I-212, USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract: Primary:* Individuals or households. Form I-212 is necessary for USCIS to determine whether an alien is eligible for and should be granted the benefit of consent to reapply for admission into the United States. Furthermore, Form I212 form standardizes requests for consent to reapply and its data collection requirements ensure that, when filing the application, the alien provides the basic information that is required to assess eligibility for consent to reapply.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-212 is 4,183; the estimated hour burden per response is 2 hours. The estimated total number of responses for the biometric collection is 100, and the estimated hour burden per response is 1.17 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual

hour burden associated with this collection is 8,483 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$528,226.

Dated: March 3, 2017.

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**Overview of This Information Collection**

(1) *Type of Information Collection Request:* Revision of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Application for Waiver of the Foreign Residence Requirement of Section 212(e) of the Immigration and Nationality Act.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* I-612; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* Individuals or households. This information collection is necessary and may be submitted only by an alien who believes that compliance with foreign residence requirements would impose exceptional hardship on his or her spouse or child who is a citizen of the United States, or a lawful permanent resident; or that returning to the country of his or her nationality or last permanent residence would subject him or her to persecution on account of race, religion, or political opinion. Certain aliens admitted to the United States as exchange visitors are subject to the foreign residence requirements of section 212(e) of the Immigration and Nationality Act (the Act). Section 212(e) of the Act also provides for a waiver of the foreign residence requirements in certain instances.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-612 is 736 and the estimated hour burden per response is .333 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 245 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$90,160.

**Hoopeston Wind Farm Draft Habitat Conservation Plan; Draft Environmental Assessment**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Receipt of application; draft habitat conservation plan; draft environmental assessment; and request for comments.

**SUMMARY:** Pursuant to the Endangered Species Act (ESA) and the National Environmental Policy Act (NEPA), we, the U.S. Fish and Wildlife Service (Service), announce the availability of an application from Hoopeston Wind Farm LLC (Applicant) for a permit to incidentally take federally endangered Indiana bats and federally threatened northern long-eared bats. The take could result from operation and decommissioning activities at the Applicant's facility in Vermilion County, Illinois. Included with the application is a draft habitat conservation plan (HCP). Also available for review is our draft environmental assessment (EA) that was prepared in response to the application. We are seeking public comments on the permit application, draft HCP, and draft EA.

**DATES:** To ensure consideration, please submit your comments on or before April 10, 2017.

**ADDRESSES: Availability of Documents:**

The draft habitat conservation plan (HCP) and draft environmental assessment (EA) are available on the Midwest Region's Web site at <http://www.fws.gov/Midwest/Endangered/permits/hcp/r3hcps.html>. Alternatively, copies of the permit application, draft HCP, and draft EA will be available for public review during regular business hours at the Rock Island Field Office (see **ADDRESSES**). Those who do not have access to the Web site or cannot visit our office can request copies by telephone at 309-757-5800 or by letter to the Rock Island Field Office (see **ADDRESSES**).
