

“investment company” under the ICA but would not be so excepted if it were to exceed 100 beneficial owners—would not change the nature of the Applicant’s operations into that of a commercial advisory business, and that an exemptive order is appropriate based on the Applicant’s facts and circumstances.

8. For the foregoing reasons, the Applicant requests an order declaring it to be a person not within the intent of Section 202(a)(11) of the Advisers Act. The Applicant submits that the order is necessary and appropriate, in the public interest, consistent with the protection of investors, and consistent with the purposes fairly intended by the policy and provisions of the Advisers Act.

Applicant’s Conditions

1. The Applicant will offer and provide services only to: (i) Jeffrey LLC, which will generally be deemed to be, and treated as if it were, a Family Client, and (ii) other Family Clients.

2. The Applicant at all times will be wholly owned by Family Clients and exclusively controlled (directly or indirectly) by one or more Family Members and/or Family Entities as defined in paragraph (d)(5) of the Family Office Rule.

3. Jeffrey LLC at all times will be wholly owned by Family Clients.

4. At all times the assets beneficially owned by Family Members and/or Family Entities (including assets beneficially owned by Family Members and/or Family Entities indirectly through Jeffrey LLC) will account for at least 75% of the assets for which the Applicant provides services.

5. The Applicant will comply with all the terms for exclusion from the definition of “investment adviser” under the Advisers Act set forth in the Family Office Rule except for the limited exception requested by the application.

For the Commission, by the Division of Investment Management, under delegated authority.

Applicant’s Representations

1. Applicant is a Delaware limited liability company. Applicant’s managing member is The Jeffrey Company, an Ohio corporation (“TJC”). All of the outstanding shares of capital stock of TJC are owned by trusts for descendants of Joseph A. Jeffrey (1836-

1928) (“J.A. Jeffrey”). Approximately 50% of the units of membership interest in Applicant (“units”) are owned by TJC as the managing member, with the remaining units being owned by trusts for descendants of J.A. Jeffrey. 100% of Applicant’s units are owned directly or indirectly by trusts for descendants of J.A. Jeffrey.

2. J.A. Jeffrey created the Joseph A. Jeffrey Trust (the “Trust”) on May 6, 1914, for the benefit of his descendants, and transferred virtually all of the TJC shares to the Trust. TJC was founded to manufacture the world’s first coal-mining machines. TJC sold its operating assets to Dresser Industries in 1974 and became a pure investment enterprise. TJC thereafter relied on an exception from the definition of investment company pursuant to Section 3(c)(1) of the Investment Company Act of 1940, as amended (the “Act”). In 2002, the Trust was divided into separate trusts, one for each current income beneficiary (each an “Individual Trust”), but still operating pursuant to the terms of the instrument establishing the Trust. In 2009, in connection with the formation of Applicant, TJC contributed marketable securities to Applicant in exchange for 100% of the units in Applicant, and immediately distributed the non-managing member units to TJC’s shareholders. In 2010 and then again in 2011, TJC distributed marketable securities to its shareholders, who in turn contributed those securities to Applicant in exchange for additional units in Applicant.

3. TJC contributed to Applicant, as of December 31, 2016, 100% of TJC’s marketable securities and other assets (excluding its managing member units in Applicant and any assets associated with TJC’s deferred compensation plans) in exchange for additional managing member units in Applicant.¹ Applicant states that the number of additional units in Applicant issued to TJC as of December 31, 2016 was based on relative fair market value at that time. As a result of the contribution, Applicant holds essentially all of the family enterprise’s investment assets.

4. On January 17, 2017, the Trust terminated pursuant to its terms, and the assets of each Individual Trust (substantially all of which consist of units in Applicant and shares of TJC) became distributable to the then-current

¹ As a result of such contribution, virtually all of TJC’s assets consist of the managing member units in Applicant, which Applicant has determined are not securities. Applicant has stated that, as such, TJC itself can no longer rely on Section 3(c)(1) of the Act and does require the relief requested by the application.

income beneficiary of such Individual Trust, after all outstanding expenses and claims are satisfied. Upon the distribution of such assets, Applicant will be owned 100% by descendants of J.A. Jeffrey, either directly or through TJC.

5. Applicant represents that, to date, Applicant has met the requirements of Section 3(c)(1) of the Act. Applicant has 62 non-managing members, each of which is an Individual Trust, plus TJC as its sole managing member. Forty-eight of the 62 Individual Trusts are beneficial owners within the meaning of the Act, having made investments into Applicant in exchange for units in 2010 and 2011. The remaining fourteen Individual Trusts received their non-managing member units in Applicant involuntarily, after the 2011 investments were made and pursuant to the operation of the Trust, in accordance with Rule 3c-6 under the Act. These fourteen Individual Trusts collectively stepped into the shoes of five former Individual Trusts that had made investments into Applicant in 2010 and 2011. Thus, the 62 Individual Trusts today represent 53 beneficial owners.²

6. Applicant will limit its security holders to “family clients,” as defined under Rule 202(a)(11)(G)-1 (the “Family Office Rule”) under the Investment Advisers Act of 1940 (the “Advisers Act”), with J.A. Jeffrey being the “common ancestor” for this purpose (“Family Clients”). Applicant further does not intend to offer to key employees or their entities the opportunity to invest in Applicant unless a key employee is also a “family member,” as defined under the Family Office Rule (a “Family Member”). Thus, Applicant’s owners will consist of a subset of Family Clients.

7. Applicant would like to offer to such subset of Family Clients the opportunity to invest in Applicant (subject to securities law compliance, including complying with applicable federal and state exemptions from registration of its securities). Applicant states that the 100 beneficial owner limitation of Section 3(c)(1) of the Act potentially would cause family friction by denying to many Family Members the opportunity to invest in Applicant. Applicant states that, as of the date of the Application, there are approximately 350 Family Members.

8. Units in Applicant have not been and will not be offered or sold to the public. Under Applicant’s limited

² Applicant states that TJC, as the sole managing member of the Applicant, is not treated as a beneficial owner by Applicant pursuant to guidance from the staff of the Division of Investment Management at the Commission.

liability company agreement, sales or other transfers of units for value to any purchaser, other than to Applicant itself, are prohibited. Transfers for value to existing members or other Family Clients are prohibited.³ Applicant states that, as a result, a market will never develop for units in Applicant. Applicant states that the only exit strategies available to a Family Client will be to surrender units for redemption by Applicant at fair market value⁴ or to gift or contribute units to other Family Clients.

9. TJC is the sole managing member of Applicant. TJC is managed by a board of directors (the “Board”). At all times, a majority of Board directors will be Family Members; provided, however, that if by reason of the death, disqualification or bona fide resignation of any director or directors, a majority of the directors are not Family Members, the vacancy or vacancies will be filled in order to reestablish such majority within 90 days (consistent with Act Rule 10e-1(a)). The directors are paid on the basis of fixed fees and expenses, and do not receive any form of commission or performance-based compensation. None of the directors is affiliated with Applicant’s investment advisers. All directors are elected annually, thereby providing an opportunity to evaluate the continued contribution of each director on an annual basis.

10. Applicant has no employees of its own. Applicant has a management agreement with Katahdin Asset Management LLC (the “Family Management Co.”). The Family Management Co. conducts the day-to-day operations of Applicant with the Family Management Co.’s own employees, subject to the direction of the Board. The Family Management Co. is wholly owned and controlled by the same individual who is TJC’s chief executive officer, who also is a Family Member. Applicant states that, because the Family Management Co.’s owner is both a Family Member and a current income beneficiary of an Individual Trust, the Family Management Co.’s

³ Applicant allows a very limited exception for estate planning transfers for value, such as installment sales to a grantor trust. Any such transfers will be made only to Family Clients. Additionally, investors are permitted to pledge units as collateral for a loan, but only if the pledge documents require, in lieu of foreclosure or other enforcement action in the event of a default, that the pledged units be redeemed by Applicant prior to any transfer of economic or voting rights. In the event that units are pledged, the party to which such units are pledged shall not receive direct economic benefit from the units nor can such party directly or indirectly vote the units.

⁴ Investors are permitted to redeem their units in Applicant at the end of each calendar quarter.

interests are aligned with those of fellow owners of Applicant. Applicant states that Applicant, TJC and the Family Management Co. together function like a cooperative association for the benefit of the owners.

11. In addition to the Family Management Co., Applicant relies on Commission-registered investment advisers in managing its investments, subject to the oversight of the Board. Applicant states that currently, substantially all of Applicant’s assets are managed by six unrelated investment advisers, all of which are registered with the Commission. Applicant states that all investment management fees paid by Applicant to these investment advisers are based on either a fixed or graduated fee calculated as a percentage of assets under management. Applicant further states that Applicant does not pay any performance-based fees.

12. Applicant states that Applicant has provided detailed quarterly and annual reports to investors, and held Board meetings with family guests and frequent meetings with the current income beneficiaries of the Individual Trusts. The financial statements of Applicant are audited by a nationally recognized accounting firm annually.

Applicant’s Legal Analysis

1. Applicant is seeking an order pursuant to Section 6(c) of the Act for an exemption from all of the provisions of the Act and all rules and regulations thereunder, except as otherwise specified in the application. Applicant submits that Section 3(c)(1) of the Act evidences the intention of Congress to exclude “private” investment companies from the scope of the Act. Under Section 6(c) of the Act, the Commission may exempt any person, security, or transaction from any provision of the Act, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicant submits that the requested exemption from all provisions of the Act and all rules and regulations thereunder (except as otherwise specified in the application) meets these standards, as Applicant is a private investment company wholly owned and controlled by a single family.

2. Applicant states that similarly situated companies typically may rely on Section 3(c)(1) of the Act for an exclusion from registration under the Act. Section 3(c)(1) excepts from the definition of “investment company” any issuer whose outstanding securities are

beneficially owned by not more than 100 persons and which is not making and does not presently propose to make a public offering of its securities. Applicant submits that the descendants of J.A. Jeffrey are numerous and Applicant does not wish to exclude any Family Member from investing in Applicant.

3. Applicant submits that the exemption requested is necessary and appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicant further submits that the exemption requested is consistent with relief granted by the Commission to other private investment companies that have more than 100 beneficial owners and that are substantially owned and controlled by a single family.

4. Applicant submits that one of the key purposes of the Act is to ensure that every investment company properly identifies and mitigates conflicts of interest and legal, compliance, financial, and operational risks. Applicant submits that the Board's structure and practice, including its review of compliance with legal and regulatory requirements, evaluation of operational risk management processes, establishment of a Code of Ethics (addressing, among other things, conflicts of interest) and provision of periodic reports to investors, are designed to protect Applicant's investors. Applicant submits that Applicant's "co-op" style, where no money is taken off the top for management (*i.e.*, management does not receive a carried interest or other share of profits), no performance fees are paid, and management's incentives otherwise are aligned with clients, provides further protection. Applicant represents that its efforts to mitigate conflicts of interest are at least as robust as those the Commission historically has required in similar exemptive relief.

Applicant's Conditions

Applicant agrees that the order of the Commission granting the requested relief shall be subject to the following conditions, which conditions shall continue for so long as Applicant seeks to rely on such relief:

1. Interests in Applicant have not been and will not be offered or sold to the public. Applicant will neither admit as a new investor, nor permit the assignment or transfer of any interest in Applicant to, any individual or entity that is not a Family Client.

2. Applicant at all times will be controlled by Family Members and/or "family entities" (as defined under the

Family Office Rule) that are Family Clients.

3. Applicant will not have as an investment adviser any investment adviser other than (i) a Commission-registered investment adviser, (ii) a "family office" as defined in the Family Office Rule or (iii) an entity that has obtained an order from the Commission declaring it to be a person not within the intent of the Advisers Act to the extent that it cannot satisfy all of the conditions to be a "family office", as defined in the Family Office Rule.

4. A majority of the Board will consist of Family Members; provided, however, that if by reason of the death, disqualification or bona fide resignation of any director or directors, a majority of the directors are not Family Members, the vacancy or vacancies will be filled in order to reestablish such majority within 90 days (consistent with Act Rule 10e-1(a) under the Act).

5. Applicant will continue to hold annual meetings of its investors for the purpose of electing Board members and transacting such other business as may properly come before such meetings.

6. The Board will meet no less frequently than quarterly to review Applicant's investment portfolio to review compliance with all applicable investment restrictions and policies.

7. Applicant will not knowingly make available to any broker or dealer registered under the Securities Exchange Act of 1934, as amended, any financial information concerning Applicant for the purpose of knowingly enabling such broker or dealer to initiate any regular trading market in any interests in Applicant.

8. Applicant will provide each investor in Applicant annual financial statements audited by an independent public accountant.

9. Applicant will comply with the provisions set forth in subparagraphs (A)(i) and (B)(i) of Section 12(d)(1) of the Act as if Applicant were an investment company relying on the exemption set forth in Section 3(c)(1) of the Act.

For the Commission, by the Division of Investment Management, under delegated authority.

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Extension: Rule 104; SEC File No. 270-411, OMB Control No. 3235-0465]

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 104 of Regulation M (17 CFR 242.104), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 104 permits stabilizing by a distribution participant during a distribution so long as the distribution participant discloses information to the market and investors. This rule requires disclosure in offering materials of the potential stabilizing transactions and that the distribution participant inform the market when a stabilizing bid is made. It also requires the distribution participants (*i.e.*, the syndicate manager) to maintain information regarding syndicate covering transactions and penalty bids and disclose such information to the Self-Regulatory Organization.

There are approximately 848 respondents per year that require an aggregate total of 170 hours to comply with this rule. Each respondent makes an estimated 1 annual response. Each response takes approximately 0.20 hours (12 minutes) to complete. Thus, the total compliance burden per year is 170 hours. The total internal labor cost of compliance for the respondents is approximately \$11,050.00 per year, resulting in an internal cost of compliance of about \$13.03 (*i.e.*, \$11,050.00/848 responses) per response.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
