The investigations were requested in petitions filed on September 20, 2016, by the Rebar Trade Action Coalition and its individual members: Byer Steel Group, Inc., Cincinnati, Ohio; Commercial Metals Company, Irving, Texas; Gerdau Ameristeel U.S. Inc., Tampa, Florida; Nucor Corporation, Charlotte, North Carolina; and Steel Dynamics, Inc., Pittsburg, Indiana.

A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of these investigations will be placed in the public record on May 4, 2017, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission’s rules.

1 For purposes of these investigations, the Department of Commerce has defined the subject merchandise as “steel concrete reinforcing bar imported in either straight length or coil form (rebar) regardless of metallurgy, length, diameter, or grade or lack thereof. Subject merchandise includes deformed steel wire with bar markings (e.g., mill mark, size, or grade) and which has been subjected to an elongation test. The subject merchandise includes rebar that has been further processed in the subject country or a third country, including but not limited to cutting, grinding, galvanizing, painting, coating, or any other processing that would not otherwise remove the merchandise from the scope of the investigation if performed in the country of manufacture of the rebar. Specifically excluded are plain rounds (i.e., nondeformed or smooth rebar). Also excluded from the scope is deformed steel wire meeting ASTM A106/A106M with no bar markings (e.g., mill mark, size, or grade) and which has been subjected to an elongation test.” See, e.g., Steel Concrete Reinforcing Bar from the Republic of Turkey: Preliminary Affirmative Countervailing Duty Determination and Alignment of Final Countervailing Duty Determination with Final Antidumping Duty Determination, 82 FR 12195, March 1, 2017. See also the Department of Commerce’s preliminary affirmative determinations of sales at less than fair value with respect to rebar from Japan, Taiwan, and Turkey (publication in the Federal Register pending; filed on the Commission’s electronic document information system on March 2, 2017).
