SUPPLEMENTARY INFORMATION:

Background

On November 4, 2016, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the countervailing duty order on lightweight thermal paper (LWTP) from the People's Republic of China (PRC) for the period of review (POR) of January 1, 2015, through December 31, 2015.¹ The Department received a timely-filed request from Appvion, Inc. (Appvion), in accordance with 19 CFR 351.213(b), for an administrative review of three producers/exporters of lightweight thermal paper from the PRC: Sailing International Limited, Shenzhen Formers Printing Co., Ltd., and Suzhou Xiandai Paper Production Co.² On January 13, 2017, the Department published a notice of initiation.³ Subsequent to the *Initiation Notice*, the Department requested from U.S. Customs and Border Protection (CBP) data for U.S. imports of subject merchandise during the POR for the companies for which an administrative review was requested.⁴ The CBP data demonstrated that there were no entries of subject merchandise exported by these companies during the POR.⁵ The Department solicited interested party comments,⁶ and we received no comments.

reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁷ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period. See 19 CFR 351.212(b)(1). Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that the Department can order CBP to liquidate at the newly calculated countervailing duty assessment rate. Accordingly, in the absence of suspended entries of subject merchandise during the period of this administrative review (January 1, 2015 through December 31, 2015), we are now rescinding this administrative review of the countervailing duty order on LWTP from the PRC, pursuant to 19 CFR 351.213(d)(3).

This notice is issued and published pursuant to section 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: March 14, 2017.

Gary Taverman,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
