

cannot guarantee that we will be able to do so.

#### Public Hearing

If you wish to speak at the public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT** by 4:00 p.m., e.s.t. on April 17, 2017. If you are disabled and need reasonable accommodations to attend a public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT**. We will arrange the location and time of the hearing with those persons requesting the hearing. If no one requests an opportunity to speak, we will not hold a hearing.

To assist the transcriber and ensure an accurate record, we request, if possible, that each person who speaks at the public hearing provide us with a written copy of his or her comments. The public hearing will continue on the specified date until everyone scheduled to speak has been given an opportunity to be heard. If you are in the audience and have not been scheduled to speak and wish to do so, you will be allowed to speak after those who have been scheduled. We will end the hearing after everyone scheduled to speak, and others present in the audience who wish to speak, have been heard.

#### Public Meeting

If only one person requests an opportunity to speak, we may hold a public meeting rather than a public hearing. If you wish to meet with us to discuss the amendment, please request a meeting by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**. All such meetings are open to the public and, if possible, we will post notices of meetings at the locations listed under **ADDRESSES**. We will make a written summary of each meeting a part of the administrative record.

#### IV. Procedural Determinations

##### Executive Order 12866—Regulatory Planning and Review

This rule is exempted from review by the Office of Management and Budget (OMB) under Executive Order 12866.

##### Other Laws and Executive Orders Affecting Rulemaking

When a State submits a program amendment to OSMRE for review, our regulations at 30 CFR 732.17(h) require us to publish a notice in the **Federal Register** indicating receipt of the proposed amendment, its text or a summary of its terms, and an opportunity for public comment. We conclude our review of the proposed amendment after the close of the public comment period and determine whether

the amendment should be approved, approved in part, or not approved. At that time, we will also make the determinations and certifications required by the various laws and executive orders governing the rulemaking process and include them in the final rule.

### Coast Guard

#### 33 CFR Part 165

[Docket Number USCG-2017-0171]

RIN 1625-AA00

#### Safety Zones; Recurring Events in Captain of the Port Duluth Zone

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard proposes to amend its safety zones regulations for annual events in the Captain of the Port Duluth Zone. This final rule would update the locations for seven safety zones, add two new safety zones, increase the safety zone radius of six existing fireworks events, and modify the format of the regulation to list the annual events and corresponding safety zones in table form. These proposed amendments will protect spectators, participants, and vessels from the hazards associated with annual marine events and improve the clarity and readability of the regulation.

**DATES:** Comments and related material must be received by the Coast Guard on or before May 1, 2017.

**ADDRESSES:** You may submit comments identified by docket number USCG-2017-0171 using the Federal eRulemaking Portal at <http://www.regulations.gov>. Type the docket number (USCG-2017-0171) in the "SEARCH" box and click "SEARCH." See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or

email Lieutenant Junior Grade, John Mack, Chief of Waterways Management, Marine Safety Unit Duluth, U.S. Coast Guard; telephone 218-725-3818, email [John.V.Mack@uscg.mil](mailto:John.V.Mack@uscg.mil).

COTP Captain of the Port  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background, Purpose, and Legal Basis

On May 31, 2013 the Coast Guard published an NPRM in the **Federal Register** (78 FR 32608) entitled "Recurring Events in the Captain of the Port Duluth Zone." The NPRM proposed to establish 8 permanent safety zones for annually recurring events in the Captain of the Port Duluth Zone under § 165.943. The NPRM was open for comment for 30 days.

On August 12, 2013 the Coast Guard published the Final Rule in the **Federal Register** (78 FR 48802) after receiving no comments on the NPRM. Through this proposed rule, the Coast Guard seeks to update § 165.943.

##### III. Discussion of Proposed Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Duluth (COTP) has determined that an amendment to the recurring events list as published in 33 CFR 165.943 will be necessary to: Update the location of seven existing safety zones (Bridgifest Regatta Fireworks Display, Cornucopia 4th of July Fireworks Display, Duluth 4th Fest Fireworks Display, LaPointe 4th of July Fireworks Display, Point to LaPointe Swim, Lake Superior Dragon Boat Festival, Superior Man Triathlon), add two new safety zones (City of Bayfield 4th of July Fireworks Display & Two Harbors 4th of July Fireworks Display), increase the safety zone radius of six fireworks events (Bridgifest Regatta Fireworks Display, Ashland 4th of July Fireworks Display, Cornucopia 4th of July Fireworks Display, LaPointe 4th of July Fireworks Display, Lake Superior Dragon Boat Festival), and format the existing regulations into a table format. The purpose of this rule is to ensure safety of vessels and the navigable waters in the safety zone before, during, and after the scheduled event and to improve the overall clarity and readability of the rule.

The amendments to this proposed rule are necessary to ensure the safety

of vessels and people during annual events taking place on or near federally maintained waterways in the Captain of the Port Duluth Zone. Although this proposed rule will be in effect year-round, the specific safety zones listed in Table 165.943 will only be enforced during a specified period of time when the event is on-going.

When a Notice of Enforcement for a particular safety zone is published, entry into, transiting through, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Duluth, or his or her designated representative. The Captain of the Port Duluth or his or her designated representative can be contacted via VHF Channel 16. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

## V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Executive Order 13771 (“Reducing Regulation and Controlling Regulatory Costs”), directs agencies to reduce regulation and control regulatory costs and provides that “for every one new regulation issued, at least two prior regulations be identified for elimination, and that the cost of planned regulations be prudently managed and controlled through a budgeting process.”

The Office of Management and Budget (OMB) has not designated this rule a significant regulatory action under section 3(f) of Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget. As this rule is not a significant regulatory action, this rule is exempt from the requirements of Executive Order 13771. See OMB’s Memorandum titled “Interim Guidance Implementing Section 2 of the Executive Order of

January 30, 2017 titled ‘Reducing Regulation and Controlling Regulatory Costs’” (February 2, 2017).

This regulatory action determination is based on the size, location, duration, and time-of-day for each safety zone. Vessel traffic will be able to safely transit around all safety zones which will impact small designated areas within Lake Superior for short durations of time. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission to enter the zone.

### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against

small entities that question or complain about this rule or any policy or action of the Coast Guard.

### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

### F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human

environment. This rule involves: The update of seven safety zone locations, the addition of two new safety zones, an increase of size for six safety zone radiuses for fireworks related events, and the reformatting of regulations into an easier to read table format. It is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

**G. Protest Activities**

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

**V. Public Participation and Request for Comments**

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment

applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that Web site's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

■ 2. Revise § 165.943 to read as follows:

**§ 165.943 Safety Zones; Recurring Events in Captain of the Port Duluth Zone.**

(a) Regulations. The following regulations apply to the safety zones listed in Table 165.943 of this section:

(1) The Coast Guard will provide advance notice of the enforcement date and time of the safety zone being enforced in Table 165.943, by issuing a Notice of Enforcement, as well as, a Broadcast Notice to Mariners.

(2) During the enforcement period, the general regulations found in § 165.23 shall apply.

(b) *Contacting the Captain of the Port.* While a safety zone listed in this section is enforced, the Captain of the Port Duluth or his or her on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Duluth, or his or her on-scene representative.

(c) *Exemption.* Public vessels, defined as any vessel owned or operated by the United States or by State or local governments, operating in an official capacity are exempted from the requirements of this section.

#### SUPPLEMENTARY INFORMATION:

##### Table of Contents

- I. Introduction
- II. Comments on Initial NPR
- III. Revised Proposed Rule
- IV. Comments Requested

#### I. Introduction

On January 22, 2016, the Commission published a notice of proposed rulemaking (initial NPR) which proposed procedural rules for motions concerning mail preparation changes that require compliance with the price cap rules.<sup>1</sup> The initial NPR was issued in conjunction with the Commission's order in Docket No. R2013-10R setting forth a standard to determine when mail preparation changes require compliance with § 3010.23(d)(2).<sup>2</sup> In the initial NPR, the Commission explained that the Postal Service has the affirmative burden to determine whether a mail preparation change requires compliance with § 3010.23(d)(2) under the Commission's standard in Order No. 3047.<sup>3</sup> The initial NPR proposed a procedural rule to permit interested parties to file a motion with the Commission where the Postal Service fails to recognize or account for a mail preparation change that has a rate effect under § 3010.23(d)(2).

Specifically, the initial proposed rule § 3001.21(d) of this chapter required interested parties to file a motion with the Commission upon actual or constructive notice of a mail preparation change that had a rate effect requiring compliance with § 3010.23(d)(2). It also proposed a 30-day timeframe within which interested parties could file a motion concerning a mail preparation

change, after which the Commission would either institute a proceeding or consider the motion within an ongoing matter.

In response to comments received on the initial NPR, the Commission is issuing this revised notice of proposed rulemaking (revised NPR) that: (1) Withdraws the proposed procedural rule under § 3001.21(d) of this chapter for motions concerning mail preparation changes; and (2) requires the Postal Service to publish all mail preparation changes in a publicly-available single source and affirmatively designate whether or not a mail preparation change requires compliance with § 3010.23(d)(2). The revised NPR specifies that, if raised by the Commission or challenged by a mailer, the Postal Service must demonstrate by a preponderance of the evidence that a change does not require compliance with § 3010.23(d)(2). The revised NPR narrows the scope of the initial proposed rule and provides an opportunity for public comment on this new proposed approach to ensure that the Postal Service properly accounts for the rate effects of mail preparation changes under § 3010.23(d)(2) in accordance with the Commission's standard articulated in Order No. 3047.

#### II. Comments on Initial NPR

The Commission received comments in response to the initial NPR, of which three were from the mailing industry, one was from the Public Representative, and one was from the Postal Service. Most commenters do not oppose the proposed rule, but raise questions about whether it impacts the Commission's authority and responsibility to independently review mail preparation changes for compliance with the price cap rules, or whether mailers could raise issues concerning mail preparation changes in other proceedings before the
