exported by Euro SME and imported into the United States during the POR.\(^5\) This query returned no entries during the POR.\(^6\) Further, the Department transmitted a “no-shipments” inquiry to CBP requesting that it provide any information to the contrary, should such information exist.\(^7\) On November 7, 2016, the Department was notified by CBP that there were no shipments of PRCBs from Malaysia during the POR.\(^8\) Consistent with our practice, we preliminarily determine that Euro SME had no shipments and, therefore, no reviewable entries during the POR. In addition, we find it is not appropriate to rescind the review with respect to Euro SME but, rather, to complete the review and issue appropriate instructions to CBP based on the final results of the review, consistent with our practice.\(^9\)

**Public Comment**

Interested parties may submit case briefs to the Department no later than 30 days after the date of publication of this notice.\(^10\) Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the time limit for filing case briefs.\(^11\) Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.\(^12\) Case and rebuttal briefs should be filed using ACCESS.\(^13\) Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.\(^14\) Hearing requests should contain: (1) The party’s name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.\(^15\)

The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h), unless this deadline is extended.

**Assessment Rates**

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.\(^16\) In accordance with the Department’s practice, for entries of subject merchandise during the POR for which Euro SME did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.\(^17\) We intend to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of review, as provided for by section 751(a)(2)(C) of the Act: (1) For Euro SME, which claimed no shipments, the cash deposit rate will remain unchanged from the rate assigned to Euro SME in the most recently completed review of the company; (2) for previously investigated or reviewed companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 2.40 percent. These deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(b)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period. Failure to comply with this requirement may result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).

DEPARTMENT OF COMMERCE

International Trade Administration

[A–549–502]

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on circular welded carbon steel pipes and tubes (pipes and tubes) from Thailand, covering the period of review (POR) March 1, 2015, through February 29, 2016. This review covers two manufacturers/exporters of the subject merchandise, Saha Thai Steel Pipe (Public) Company, Ltd. (Saha Thai) and Pacific Pipe Public Company Limited (Pacific Pipe). The Department preliminarily determines that Saha Thai sold subject merchandise at less than normal value (NV) during the POR and that Pacific Pipe had no shipments during the POR. Interested parties are
invited to comment on these preliminary results.

DATES: Effective April 6, 2017.

Scope of the Order

The products covered by the antidumping order are certain circular welded carbon steel pipes and tubes from Thailand. The subject merchandise has an outside diameter of 0.375 inches or more, but not exceeding 16 inches. For a full description of the scope of this order, please see the accompanying Preliminary Decision Memorandum.¹

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum, which is hereby adopted by this notice. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://enforcement.trade.gov/frn/. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Lorentzen, Acting Assistant Secretary Enforcement and Compliance from Gary Taverman, Associate Deputy Assistant Secretary, “Circular Welded Carbon Steel Pipes and Tubes from Thailand: Decision Memorandum for the Preliminary Results of Antidumping Duty Administrative Review; 2015–2016” (dated concurrently with this Federal Register notice) (Preliminary Decision Memorandum).

Preliminary Determination of No Shipments

Pacific Pipe timely filed a “no shipment” certification stating that it had no entries of subject merchandise during the POR.² Consistent with its practice, the Department asked CBP to conduct a query of potential shipments made by Pacific Pipe. Based on the certification of Pacific Pipe and the fact that CBP has not provided any contradictory information, we preliminarily determine that Pacific Pipe had no shipments during the POR. However, the Department finds that it is not appropriate to rescind the review with respect to Pacific Pipe, but rather to complete the review with respect to Pacific Pipe and issue appropriate instructions to CBP based on the final results of this review.³

Preliminary Results of Review

The Department preliminarily determines that the following weighted-average dumping margin exists for the period March 1, 2015, through February 29, 2016:

<table>
<thead>
<tr>
<th>Producer/exporter</th>
<th>Weighted-average dumping margin (percent)</th>
</tr>

* No shipments or sales subject to this review. The company has an individual rate from a prior segment of the proceeding in which the firm had shipments or sales.

The Department intends to disclose the calculations used in our analysis to parties in this review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Interested parties may submit written comments (case briefs) no later than 30 days after the date of publication of these preliminary results of review, pursuant to 19 CFR 351.309(c)(ii) and rebuttal comments (rebuttal briefs) within five days after the time limit for filing case briefs, pursuant to 19 CFR 351.309(d)(1). Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit arguments are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and, (3) a table of authorities. See 19 CFR 351.303 (for general filing requirements). All electronically filed documents must be received successfully in its entirety by the Department’s electronic records system, ACCESS.

Pursuant to 19 CFR 351.310, any interested party may request a hearing within 30 days of publication of this notice. Hearing requests should contain the following information: (1) The party’s name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the case and rebuttal briefs. If a party requests a hearing, the Department will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing.

The Department intends to issue the final results of this review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of this administrative review, the Department shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. If a respondent’s weighted-average dumping margin is not zero or de minimis (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific ad valorem assessment rates on the basis of the ratio of the total amount of dumped calculated for an importer’s examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). Where either the respondent’s weighted-average dumping margin is zero or de minimis within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The Department clarified its “automatic assessment” regulation on May 6, 2003.⁴ This clarification applies

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this review, the Department of Commerce (the Department) finds that revocation of the antidumping duty (AD) order on certain stainless steel wire rods from India (wire rods) would likely lead to a continuation or recurrence of dumping at the margins identified in the ‘‘Final Results of Review’’ section of this notice.

DATES: Effective April 6, 2017.

Certain stainless steel wire rods (‘‘wire rods’’) from India (wire rods) have been subject to an AD order. Pursuant to section 751A of the Tariff Act of 1930, as amended, (the Act), the Department of Commerce (the Department) is conducting an expedited fourth sunset review of the AD order on certain stainless steel wire rods from India. See Antidumping Duty Order: Circular Welded Carbon Steel Pipes and Tubes from Thailand, 57 FR 32128, July 13, 1992, (hereinafter ‘‘the AD Order’’). This is the fourth review of the order.

By the terms of the order, certain stainless steel wire rods from India are subject to an AD rate of 17.89 percent. CF82354.9
