**SUPPLEMENTARY INFORMATION:****I. Abstract**

The IDEIA requires Tribes and Tribal organizations to submit certain information to the Secretary of the Interior (Secretary). See 20 U.S.C. 1411(h)(4)(c) and 1443(b)(3). Under the IDEIA, the U.S. Department of Education provides funding to the Secretary for the coordination of assistance for special education and related services for Indian children aged zero to five with disabilities on reservations served by Bureau-funded schools. The Secretary, through the BIE, then allocates this funding to Tribes and Tribal organizations based on the number of such children served. In order to allow the Secretary to determine what amounts to allocate to whom, the IDEIA requires Tribes and Tribal organizations to submit information to Interior. The BIE collects this information on two forms, one for Indian children aged three to five covered by IDEIA Part B, and one for Indian children aged zero to two covered by IDEIA Part C.

IDEIA Part B—Assistance for Education of All Children with Disabilities requires Tribes and Tribal

organizations to use the funds to assist in Child Find, screening, and other procedures for the early identification of Indian children aged three through five who may have a disability., Part B funding may also be used to provide parent training, and the provision of direct services. See 20 U.S.C. 1411(h)(4)(D). IDEIA Part C—Infants and Toddlers with Disabilities likewise requires Tribes and Tribal organizations to use the fund to assist in Child Find, screening, and other procedures for early identification of Indian children under three years of age who may have a disability. Part C funding may also be used to provide parent training, and early intervention services. See 20 U.S.C. 1443(b)(4).

**II. Request for Comments**

The BIE requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
