DEPARTMENT OF TRANSPORTATION
Federal Aviation Administration

RTCA Federal Advisory Committee

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of RTCA charter renewal.

SUMMARY: The FAA is issuing this notice to advise the public of the renewal of the RTCA Charter (FAA Order 1110.77W) for 6 months, effective April 1, 2017. The Federal Aviation Administration (FAA) is authorized to establish the RTCA advisory committees in accordance with the provisions of the Federal Advisory Committee Act (FACA). The current charter agreement requires that the RTCA manage various Federal subcommittees on behalf of the agency.

The objective of the advisory committee is to seek resolution of issues and challenges involving air transportation concepts, requirements, operational capabilities, the associated use of technology, and related considerations to aeronautical operations that affect the future of the Air Traffic Management System and the integration of new technologies.

FOR FURTHER INFORMATION CONTACT: Andy Cebula at acebula@rtca.org or (202) 330–0652, or the RTCA Secretariat, 1150 18th Street NW., Suite 910, Washington, DC 20036, or by telephone at (202) 833–9339, fax at (202) 833–9434, or Web site at http://www.rtca.org.

SUPPLEMENTARY INFORMATION: The Federal Advisory Committee meetings are open to the public and announced in the Federal Register, except as authorized by Section 10(d) of the Federal Advisory Committee Act.

Issued in Washington, DC, on April 3, 2017.

Mohannad Dawoud
Manager & Program Analyst, Partnership Contracts Branch, ANM–A17 NextGen, Procurement Services Division, Federal Aviation Administration.

DEPARTMENT OF TRANSPORTATION
Federal Motor Carrier Safety Administration

[Docket No. FMCSA–2016–0412]

Post-Accident Reporting (PAR) Advisory Committee Meeting: Public Meeting

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Annunciation of advisory committee public meeting.

SUMMARY: FMCSA announces a meeting of its Post-Accident Reporting (PAR) Advisory Committee on Monday, April 24, 2017, at the Commercial Vehicle Safety Alliance (CVSA) Workshop in Atlanta, GA. Under section 5306 of the FAST Act, the PAR was charged with reviewing post-accident reports and made recommendations on the data elements required by the reports and modifications that may improve their use through the addition of data elements at its meeting in December 2016. At this meeting, the PAR will provide suggestions concerning the implementation of its recommendations to the FMCSA Administrator. The meeting is open to the public for its entirety.

DATES: The meeting will be held on Monday, April 24, 2017, from 1:30–5 p.m., Eastern Time (E.T.), at the Hyatt Regency Atlanta, 265 Peachtree Street NE., Atlanta, GA 30303. Copies of the task statement and an agenda for the entire meeting will be made available in advance of the meeting at http://par.fmcsa.dot.gov.

Services for Individuals with Disabilities: For information on facilities or services for individuals with disabilities or to request special assistance at the meeting, contact Eran Segev at (617) 494–3174, eran.segev@dot.gov, by Wednesday, April 12.

SUPPLEMENTARY INFORMATION:

I. Background

The Department established the PAR Advisory Committee as a discretionary committee under the Federal Advisory Committee Act (FACA, 5 U.S.C. App 2) on October 13, 2016, making it effective through October 13, 2018. The PAR Committee met in December 2016 and provided advice and recommendations.
DEPARTMENT OF TRANSPORTATION
Pipeline and Hazardous Materials Safety Administration

[Docket No. PHMSA–2016–0092]

Pipeline Safety: Underground Natural Gas Storage Facility User Fee

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: Notice of agency action.

SUMMARY: On November 7, 2016, PHMSA published a notice and request for comments in the Federal Register, titled “Pipeline Safety: Underground Natural Gas Storage Facility User Fee” (November 2016 Notice), seeking comments from underground natural gas storage facility operators on a proposed PHMSA pipeline user-fee assessment and rate structure. PHMSA received nine comments in the docket. We are publishing this notice of agency action to address the comments received and to announce the rate structure PHMSA will implement in fiscal year (FY) 2017 if Congress appropriates FY 2017 funds for the Pipeline Safety Fund’s Underground Natural Gas Storage Facility Safety Account.

FOR FURTHER INFORMATION CONTACT: Roger Little by telephone at 202–366–4569, by fax at 202–366–4566, by email at Roger.Little@dot.gov, or by mail at U.S. Department of Transportation, PHMSA, 1200 New Jersey Avenue SE., PHP–2, Washington, DC 20590–0001.

SUPPLEMENTARY INFORMATION:

Background

The Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA) (Pub. L. 99–272, sec. 7005), codified in part at section 60301 of title 49, United States Code, authorizes the assessment and collection of user fees to fund the pipeline safety activities conducted under chapter 601 of title 49. On June 22, 2016, President Obama signed into law the Protecting our Infrastructure of the States Act (PIPES Act of 2016) (Pub. L. 114–183) (Pipes Act of 2016). Section 12 of the PIPES Act of 2016 mandates that PHMSA issue regulations for underground natural gas storage facilities, authorizes user fees on operators of these facilities, and directs PHMSA to prescribe procedures to collect those fees upon appropriation. Section 2 of the PIPES Act of 2016 authorizes $8 million per year to be appropriated from those fees for each of FY 2017–2019 for the newly established Underground Natural Gas Storage Facility Safety Account in the Pipeline Safety Fund. Accordingly, if Congress appropriates funds to this account for FY 2017 and beyond, PHMSA will collect user fees from the operators of these facilities.

Summary of Comments on the November 7, 2016 Notice

The November 2016 Notice advised all underground natural gas storage facility operators of a proposed PHMSA pipeline user-fee assessment and rate structure. PHMSA also has no way to assess the accuracy of the AGA survey results and in several cases they appear to be inconsistent with information reported to the Energy Information Administration (EIA). In the absence of available, reliable data for another suitable metric, PHMSA’s only viable option for an equitable allocation of fees among facility operators in the first year is working-gas capacity. After PHMSA’s annual reporting is in place and PHMSA collects information regarding the number of wells, well count is likely to become the basis of the user-fee rate structure for these facilities in future fiscal years.

Comment: David Reitz suggested PHMSA base the tier determination on the working gas an operator has available to serve its customers rather than total working-gas capacity because doing so would facilitate a more precise determination of the appropriate tier in cases where storage fields are jointly owned.

Response: PHMSA’s source for working-gas capacity data is the EIA. PHMSA currently lacks data to determine which customers gas in
