ACTION: Notice.
SUMMARY: The Commission hereby gives notice of the institution of an investigation and commencement of preliminary phase antidumping duty investigation No. 731–TA–1359 (Preliminary) pursuant to the Tariff Act of 1930 (“the Act”) to determine whether there is a reasonable indication that an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of carton closing staples from China, provided for in subheadings 8305.20.00 and 7317.00.65 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value. Unless the Department of Commerce extends the time for initiation, the Commission must reach a preliminary determination in antidumping duty investigations in 45 days, or in this case by May 15, 2017. The Commission’s views must be transmitted to Commerce within five business days thereafter, or by May 22, 2017.

A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

SUPPLEMENTARY INFORMATION: Beginning with grant year 2018, LSC is revising its process for developing the Grant Assurances for the Basic Field Grant program. The Grant Assurances will be renamed the Grant Terms and Conditions and will become a part of the Request for Proposals to better notify Basic Field Grant applicants about the legal, regulatory, and contractual requirements of the grants. The Grant Terms and Conditions delineate LSC and recipients’ rights and responsibilities under the grant.

LSC is issuing this Notice for two reasons: (1) To inform recipients and other stakeholders of the change; and (2) to allow interested parties the opportunity to comment on proposed changes to the Terms and Conditions.

For grant year 2018, LSC has not made substantive changes to the grant year 2017 Grant Assurances/Terms and Conditions. LSC proposes adding several terms, however, including:

• Expanded explanations of the statutory restrictions on the use of LSC and non-LSC funds;
• Expanded explanations on the organizational governance and programmatic requirements that recipients of Basic Field Grant funds must follow;
• Explanation of governing law, venue, and mandatory mediation requirements;
• Prohibition on assigning a Basic Field Grant award to another organization;
• Explanation of intellectual property rights in products developed by a grantee using Basic Field Grant funds;
• Explanation of the grantor-grantee relationship between LSC and a successful applicant for funding;
• Standard integration, severability, and indemnification clauses; and
• Expanded explanation of enforcement procedures.
