

1023-EZ is a simplified version of Form 1023, to be filled by organization who meets certain criteria.

Current Actions: The PATH Act presents legislative changes that amended Form 1023 and caused a reduction of burden by consolidating portions of the Form 1023. The changes on the Form 1023 will decrease burden hours by 44,954. There are no changes to Form 1023-EZ.

Type of Review: Revision of a currently approved collection.

Affected Public: Not-for-profit institutions.

Estimated Number of Respondents: 80,000.

Estimated Time per Respondents: 58.93 hours.

Estimated Total Annual Burden Hours: 4,714,236.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: March 27, 2017.
