DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[Docket No. USCG-2017-0240]

National Offshore Safety Advisory Committee

AGENCY: Coast Guard, Department of Homeland Security.

ACTION: Notice of Federal Advisory Committee meeting.

SUMMARY: The National Offshore Safety Advisory Committee and its Subcommittee will hold meetings in New Orleans, Louisiana to discuss the safety of operations and other matters affecting the offshore oil and gas industry. These meetings are open to the public.

DATES: The Safety Management Systems on Vessels Engaging in Well Intervention Activities Subcommittee of the National Offshore Safety Advisory Committee will meet on Tuesday, May 16, 2017 from 1 p.m. to 3 p.m. and the full Committee will meet on Wednesday, May 17, 2017, from 8 a.m. to 5:30 p.m. (All times are Central Daylight Time). These meetings may end early if the Committee has completed its business, or they may be extended based on the number of public comments.

ADDRESSES: The meetings will be held at the Omni Riverfront Hotel, 701 Convention Center Boulevard, New Orleans, Louisiana 70130. Omni Riverfront Hotel.

For information on facilities or services for individuals with disabilities, or to request special assistance at the meetings, contact the individuals listed in the **FOR FURTHER INFORMATION CONTACT** section as soon as possible.

Instructions: You are free to submit comments at any time, including orally at the meetings, but if you want committee members to review your comment before the meetings, please submit your comments no later than April 24, 2017. We are particularly interested in comments on the issues in the "Agenda" section below. You must include "Department of Homeland Security" and the docket number USCG-2017-0240. Written comments may also be submitted using the Federal eRulemaking Portal at <http://www.regulations.gov>. If you encounter technical difficulties with comment submission, contact the individuals listed in the **FOR FURTHER INFORMATION CONTACT** section below. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided. You may review a Privacy Act notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

Docket Search: For access to the docket or to read documents or comments related to this notice, go to <http://www.regulations.gov>, insert USCG-2017-0240 in the Search box,

press Enter, and then click on the item you wish to view.

A public oral comment period will be held during the meeting on May 17, 2017, and speakers are requested to limit their comments to 3 minutes. Contact one of the individuals listed below to register as a speaker.

FOR FURTHER INFORMATION CONTACT: Commander Jose Perez, Designated Federal Officer of the National Offshore Safety Advisory Committee, Commandant (CG-OES-2), United States Coast Guard, 2703 Martin Luther King Jr. Avenue Southeast, Stop 7509, Washington, DC 20593-7509; telephone (202) 372-1410, fax (202) 372-8382 or email jose.a.perez3@uscg.mil, or Mr. Patrick Clark, telephone (202) 372-1358, fax (202) 372-8382 or email Patrick.w.clark@uscg.mil.

SUPPLEMENTARY INFORMATION: Notice of this meeting is in compliance with the *Federal Advisory Committee Act*, Title 5 United States Code Appendix. The National Offshore Safety Advisory Committee provides advice and recommendations to the Department of Homeland Security on matters and actions concerning activities directly involved with or in support of the exploration of offshore mineral and energy resources insofar as they relate to matters within United States Coast Guard jurisdiction.

A copy of all meeting documentation will be available at <https://homeport.uscg.mil/nosac> no later than April 16, 2017. Alternatively, you may contact Mr. Patrick Clark as noted in the **FOR FURTHER INFORMATION CONTACT** section above.

Agenda

Day 1

The National Offshore Safety Advisory Committee's Subcommittee on "Safety Management Systems on Vessels Engaging in Well Intervention Activities" will meet on May 16, 2017 from 1 p.m. to 3 p.m. to review, discuss, and formulate recommendations.

Day 2

The National Offshore Safety Advisory full Committee will hold a public meeting on May 17, 2017 from 8 a.m. to 5:30 p.m. (Central Daylight Time) to review and discuss the progress of, and any reports and recommendations received from, the above listed Subcommittee from their deliberations on May 16, 2017. The Committee will then use this information and consider public comments in formulating recommendations to the United States Coast Guard. Public comments or

questions will be taken at the discretion of the Designated Federal Officer during the discussion and recommendation portions of the meeting and during the public comment period, see Agenda item (8).

A complete agenda for May 17, 2017 Committee meeting is as follows:

- (1) Welcoming remarks.
- (2) General Administration and accept minutes from February 21, 2017 National Offshore Safety Advisory Committee public teleconference meeting.
- (3) Installation of new members.
- (4) Installation of new Committee Chair.
- (5) Current Business—Presentation and discussion of progress from the Subcommittee on Safety Management Systems on Vessels Engaging in Well Intervention Activities.
- (6) New Business.
- (7) Presentations on the following matters:
 - (a) “The Internet of Things” and how digital engineering can transform the safety and operability of equipment used by the oil and gas industry;
 - (b) United States Coast Guard Cyber Security Initiatives update;
 - (c) Update from the Bureau of Safety and Environmental Enforcement;
 - (d) Eighth Coast Guard District Officer in Charge Marine Inspection Outer Continental Shelf Inspection Program Updates.
- (8) Public comment period.

Minutes

Meeting minutes from this public meeting will be available for public view and copying within 90 days following the close of the meeting at the <https://homeport.uscg.mil/nosac> Web site.

Dated: April 5, 2017.

J.G. Lantz,

Director of Commercial Regulations and Standards.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA-2017-0002; Internal Agency Docket No. FEMA-B-1707

Proposed Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). In addition, the FIRM and FIS report, once effective, will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings.

DATES: Comments are to be submitted on or before July 10, 2017.

ADDRESSES: The Preliminary FIRM, and where applicable, the FIS report for each community are available for inspection at both the online location and the respective Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at www.msc.fema.gov for comparison.

You may submit comments, identified by Docket No. FEMA-B-1707, to Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW., Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW., Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Map Information eXchange (FMIX) online at www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: FEMA proposes to make flood hazard determinations for each community

listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and also are used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the revised flood hazard information shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at http://floodsrp.org/pdfs/srp_fact_sheet.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location and the respective Community Map Repository address listed in the tables. For communities with multiple ongoing Preliminary studies, the studies can be identified by the unique project number and Preliminary FIRM date listed in the tables. Additionally, the current effective FIRM and FIS report for each community are accessible online
