Form RI 92–22, Annuity Supplement Earnings Report, is used each year to obtain the earned income of Federal Employees Retirement System (FERS) annuitants receiving an annuity supplement. The annuity supplement is paid to eligible FERS annuitants who are not retired on disability and are not yet age 62. The supplement approximates the portion of a full career Social Security benefit earned while under FERS and ends at age 62. Like Social Security benefits, the annuity supplement is subject to an earnings limitation.
