The loans made and serviced under part 762 include farm operating, farm ownership loans. FSA also provides guarantees of loans made by private sellers of a farm or ranch on a land contract sales basis. Foreign-Trade Zones Board

[B–22–2017]

Foreign-Trade Zone (FTZ) 167—Brown County, Wisconsin, Notification of Proposed Production Activity, Polaris Industries, Inc., (Spark-Ignition Internal Combustion Engines), Osceola, Wisconsin

Polaris Industries, Inc. (Polaris), operator of Subzone 167B, submitted a notification of proposed production activity to the FTZ Board for its facility in Osceola, Wisconsin. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 4, 2017.

Polaris already has authority to produce spark-ignition internal combustion engines to equip snowmobiles, all-terrain vehicles, and motorcycles within Subzone 167B. The current request would add finished spark-ignition internal combustion engines for on-road vehicles and foreign status components to the scope of authority. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Polaris from customs duty payments on the foreign-status components used in export production.
