DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket Number USCG–2017–0179]

Drawbridge Operation Regulation; Upper Mississippi River, Rock Island, IL

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Rock Island Railroad and Highway Drawbridge across the Upper Mississippi River, mile 482.9, at Rock Island, Illinois. The deviation is necessary to allow the Quad Cities Heart Walk to cross the bridge. This deviation allows the bridge to be maintained in the closed-to-navigation position for two and one half hours.

DATES: This deviation is effective from 8:30 a.m. to 11 a.m. on May 20, 2017.

ADDRESSES: The docket for this deviation, USCG–2017–0179, is available at http://www.regulations.gov. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Eric A. Washburn, Bridge Administrator, Western Rivers. telephone 212–514–4334, email james.m.moore2@uscg.mil.

SUPPLEMENTARY INFORMATION: The City of New Haven, the owner of the bridge, requested a temporary deviation from the normal operating schedule to facilitate rehabilitation of the bridge. The Chapel Street Bridge, across the Mill River, mile 0.4 at New Haven, Connecticut offers mariners a vertical clearance of 7.88 feet at mean high water and 13.99 feet at mean low water in the closed position. The existing drawbridge operating regulations are listed at 33 CFR 117.213(d). The bridge routinely opens for commercial vessels, but mariners have indicated the requirement for 2 hours of advance notice will not impede routine waterway operations.

Under this temporary deviation, the Chapel Street Bridge will open for the passage of vessels requiring an opening provided 2 hours of advance notice is furnished to the owner of the bridge; except that, from 7:30 a.m. to 8:30 a.m. and 4:45 p.m. to 5:45 p.m., Monday through Friday, except Federal holidays, the draw need not open for the passage of vessel traffic.

Vessels that can pass under the bridge without an opening may do so at all times. The bridge will be able to open for emergencies. There is no alternate route for vessels to pass.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.
