

Total Annual Burden Cost

The Department assumes that the majority of individuals who will complete this instrument are Site Security Officers (SSOs), although a smaller number of other individuals may also complete this instrument (*e.g.*, Federal, State, and local government employees and contractors). For the purpose of this notice, the Department maintains this assumption. Therefore, to estimate the total annual burden, the Department multiplied the annual burden of 10,000 hours by the average hourly wage rate of SSOs of \$67.72 per hour. Therefore, the total annual burden cost for the CVI Authorization instrument is \$677,200 [10,000 total annual burden hours × \$67.72 per hour].
